

Telephone Message to Parents: No Bus Transportation

Good evening. This is Greenville County Schools calling with an important message.

Roads in your area were checked again this afternoon and icy conditions remain on some roads in northern Greenville County. We have identified the bus routes for those roads and bus transportation will not be provided for those routes.

If your child's bus route will not run tomorrow morning, you will receive a telephone call this evening from the Bus Transportation Department. If you do not receive a call, your child will be picked up at his/her stop at the regular time.

These routes serve the following school attendance areas: Blue Ridge Middle, Blue Ridge High, Gateway Elementary, Heritage Elementary, Mountain View Elementary, Northwest Middle, Skyland Elementary, Slater-Marietta Elementary, Tigerville Elementary, and Travelers Rest High. This includes students riding a bus to their assigned school or to a school on choice.

It is your decision whether or not to send your child to school on Wednesday. Do not hesitate to keep your child at home if you believe that is safest. If you decide to keep your child at home, please call your school or send a note on Thursday. Your child's absence will be excused and missed work may be made up.
