

UPCOMING EVENTS JUNE 6 – 13, 2012 GREENVILLE COUNTY SCHOOLS

Greenville County Schools to Host Hourly Job Fair

Greenville County Schools will host a Job Fair on **Thursday, June 7, 2:00 – 7:00 pm, at J. L. Mann High Academy, 160 Fairforest Way**, to recruit bus drivers, bus aides, food service operators, and custodians for the 2012-13 school year. Full and part-time positions are available.

Greenville County Schools offers an exceptional benefits program for full-time employees that include health and dental benefits, retirement pension, free life insurance, sick and vacation leave, and much more.

If you are interested in working at a job where you can make a difference in the quality of our community and receive great benefits, you are encouraged to attend one of these events. Visit www.greenville.k12.sc.us for more information.

Custodial College

Wednesday, June 6 – 7:00 a.m. - 5:30 p.m. - Bryson Middle School

Thursday, June 7 – 7:00 a.m. – 5:30 p.m. - Riverside High School

Contact: Robert Hearn – 355-1588 or Randy Morgan, 355-1275

School custodians and plant engineers will participate in Custodial College in sessions that teach safety, general cleaning, lawn equipment, equipment maintenance, floor care, and policies and procedures. Custodial College is an annual event hosted by Greenville County Schools' Operations and Maintenance Department.

Upstate Technology Conference

Tuesday – Wednesday, June 12-13

8:30 a.m. – 3:30 p.m.

Wade Hampton High School

Contact: Jeff McCoy, 355-3134

This year's seventh annual conference focuses on using 21st century tools for teaching and learning. There will be sessions on apps, interactive planning tools, Skype, QR codes, the Cloud, and much more for the digital classroom.

Keynote Speaker

Dr. Lodge McCammon

11:00 a.m. – 12:00 p.m. (Tuesday and Wednesday)

Dr. Lodge McCammon is a Specialist in Curriculum and Contemporary Media at the Friday Institute for Educational Innovation. He developed a teaching and professional development process called FIZZ which encourages and models best practices in implementing user-generated video and online publishing in the classroom to enhance standards-based lessons. He is also a studio composer who writes standards-based songs, with supporting materials, about advanced curriculum for K-12 classrooms. His "Flipping the Classroom" approach to teaching creates a more interactive, engaging environment where students work in small groups, exchange ideas, and use classroom time for activities.
