Parents –

Keep Your Contact Information Updated at Your Child's School

It is important that parents keep their contact information current at their child's school.

- Home and Mailing Addresses
- Home and Cell Phone Numbers
- Email Address

Parents should also note their primary language so that recorded messages are sent using either English or Spanish.

Parent contact information is used by principals and the District to notify parents about:

- Your Child's Attendance
- School Lunch Balance
- School Closures/Early Dismissals Due to Inclement Weather
- School Bus Delays
- Share School Information
