

## Join the Birthday Book Club

**Dear Parents,**

**If you would like to honor your student(s) and encourage their reading enjoyment, you can enroll them in Augusta Circle's 2019-2020 Birthday Book Club.**

**Your enrolled child will be asked to go to the library to choose a brand new birthday book which is already available for selection. The book will then be donated to our library. All books will cost \$20. We will use the money to purchase more books for the library collection.**

**Membership has benefits! A bookplate with the student's name and birth date will be put in the book. Your child will be invited to a party with their other birthday book club classmates. And, your child will be the first to check out the book they donated!**

**Help us encourage your child's reading and make them feel special, all while building a wonderful collection of books for the school library! September 13<sup>th</sup> is the last day to send in this application. Don't miss it!**

**Please send this completed form and your check made payable to Augusta Circle Elementary in the manila envelope provided in this packet. Your student will then be asked to choose his/her book.**
