

AJW School Improvement Council (SIC) Meeting

March 15th, 2023 @ 9:00 am

Attendance: Cameron Brice, Bonnie Barr, Demond Criss, Katy Reid, Johanna Hartmann, Bryan Hayes- Boys & Girls Club, Nicole Ream

-Reviewed Notes from last meeting

-Goal of supporting communities and families throughout the community. More updates to come for ideas.

-Garden update: The proposed plan: EDP program (3rd-5th grade) will launch on Wednesday to come up with the curriculum. Students will be observing the garden and see how it goes before introducing them to teachers. The Boys and Girls Club will help during the summer. (will be called ECO Kid). Volunteers will also help with the program. Ruth Zimmerman is taking a class through Clemson to become more familiar with the garden. Will look into a possible EDP parent volunteer to help.

-Discussed having an after school program or making it a club for the garden instead of putting it on classroom teachers.

-Looked at the SIC report to parents and update any necessary information: adding the garden information, RAS- Greenville Drive, Terrific Kids, Chess Club, overnight field trips, Social Emotional Learning

-Ticket sales for Meet the Teacher will start 3/27-4/14. We will market differently this year by having a school wide goal (500 tickets) . We will have a special drive day. We also have individual goals for students and students will earn rewards.

-Nicole will discuss doing a Google Form for needs due to the events at this point in the year with Emily and Rene.

-Next meeting will be April 19th
