

Office of Alternative Programs

**HOME SCHOOL AUTHORITY**

The purpose of this document is to inform parents/guardians and students assigned to the alternative program of their probationary status. Students assigned to the alternative program are on probation for the remainder of the school year and are **NOT** permitted on any school district property without permission of the principal. Parents/guardians and students must gain permission from the school principal to attend any functions. Students can be charged with trespassing for violating this procedure.

My signature certifies that I am aware of the information listed above.
