GCS Alternative Programs Parent Participation

GCS Alternative Programs provides several options for parents to complete educational, informational, and collaborative sessions. At least one parent/guardian/caregiver should select and complete one or more of the options below.

___ Option 1: Complete the Triple P (Positive Parenting Program) curriculum, which provides strategies, collaboration and support in group sessions

___ Option 2: Complete the Triple P (Positive Parenting Program) curriculum, which provides strategies, collaboration and support via online self-paced learning

___ Option 3: Attend at least 5 parent workshops (various topics based on input from parents regarding their interests and needs for support and information).
