Report to Parents**

**We're All In This Together**

**Armstrong Elementary**

We the faculty at Armstrong Elementary School will create a safe environment that inspires and improves the quality of life for the students we serve.

**WE PROMISE TO.....**

Collaborate productively and efficiently to cultivate a community of learners;  
develop the potential of individual students while promoting a love for life-long learning; empower our students to make a difference and achieve excellence; encourage our students to be confident learners as we collectively invest and share best practices; and to provide the students we serve a quality education.

# Annual School Improvement Council Report to Parents

## Armstrong Elementary School Goals

Armstrong Elementary will help each student develop world class, life and career skill characteristics which are reflective of the Graduate Profile. We achieve this by providing a safe, nurturing, and academically challenging learning environment.

### Our Mission

**"Committed to Excellence"** with a promise to collaborate productively and efficiently while cultivating a community of learners. We work as partners to develop the potential of each individual student as we promote a love for life-long learning and empower our students to make a difference by achieving excellence. We encourage our students to be confident learners as we collectively invest and share best practices and provide them with a quality education.

Average	37.6%	61.13%

SC PASS- Science Meets or Exceeds State Expectations		
Baseline - No Scores Reported for 2024		

## Armstrong Elementary School Accomplishments

Armstrong Elementary provided many opportunities to support the academic success of students. We continued our implementation of Science of Reading school wide. We also continued our Response to Intervention (RTI) program which supports at-risk readers in kindergarten through second grade. We offer morning and afternoon tutoring in reading and math for students in third through fifth grade. We continue to support our students with a literacy specialist, and a full-time GT and enrichment educator.

All of the student in grades K-5 are assigned a personalized device to access online educational resources. Throughout the year, student learning experiences are enhanced through the use of various technological tools and programs such as Promethean Boards, Chromebooks, and document cameras. We also provide instructional technology using SeeSaw, Google Apps, SeeSaw, ILX, BookCreator, BrainPop/ BrainPop, Jr. and EdPuzzle.

We incorporated Conscious Discipline across the school and within our guidance lessons. This program empowers teachers to directly teach proper behavior while students to take ownership of and be responsible for their own behavior.

We promoted parent involvement through, but not limited to, Welcome Back Curriculum Night, Bullpup Round Up, 565PTA nights, Grade Level Parent and Family Engagement Nights/Afternoons, Motown Review and Award Ceremonies.
