

## EXTRA-CURRICULAR ACTIVITIES FOR EXTEND DAY

If your child desires to be a part of the extra-curricular activities offered, there is no charge for this.

1. **WALK-A-MILE CLUB**-We give prizes for the most miles walked on our track for the first, second & third place winner in each grade level. They are also invited to a pizza party just for the winners.
2. **SPANISH CLUB**-We have Spanish Lessons available for all grade levels. These do not begin until after winter break. A fun Fiesta Party is held at the end of the year for all that sign up for this activity.
