

Berea High School

BACK TO SCHOOL LIST

General needs for classrooms: Kleenex, Hand sanitizer, paper towels
(Can be dropped off in the main office or sent to 1st block teacher)

Students will need the following for classes at the high school level:

- ❖ Pencils
- ❖ Blue and black pens
- ❖ 3 ring binder with dividers - 1 inch width (one for each academic class)
- ❖ Loose leaf notebook paper
- ❖ Composition notebook for journaling
- ❖ Index Cards
- ❖ Calculator*
(*Science and math classes require at least a scientific calculator and students may want to check with their teacher before purchasing)
- ❖ A portable storage drive is also recommended for students

Physical Education classes require students to wear a **green shirt** and black, white, or gray shorts or sweat pants.

Students will need access to a computer for many assignments. Students at the high school level require a computer to type papers, create projects, and do research papers. If a student does not have a home computer they may use the school library during lunch, before or after school. The local library is also a good resource for computer work.

^Please also note that certain teachers may ask for certain materials on the first day of class – purchasing basics before school is preferred with the note that additional items may need to be purchased after the start of school.

Thank you! Have a great school year...
