

Background Data & Parent Survey
 BMS Title I Planning FY19
 Comprehensive Needs Based on ESEA Results & Evaluation of Current Title I Plan
 November 6, 2017

BACKGROUND INFORMATION:

1. The purpose of this survey is to gather parent and community stakeholders' suggestions as how to improve academic achievement at Berea Middle School. We respect and appreciate your input. Your opinions are an important part of our needs assessment process. We depend on your input to assist us in deciding funding priorities for the upcoming school year.
2. This survey is provided in English and Spanish. It sent home with every student that attends Berea Middle School and is also available on the school's website.
