PLEASE READ AND SIGN BELOW THE FOLLOWING STATEMENT:

Payments for the after school program are due on Fridays by closing time in advance of after school care for the following week. Failure to pay daycare will result in the child being withdrawn from the program. If there is a problem with checks being returned, the director will require that payments be made in cash. Parents may not be indebted to the program. Fees are paid even if your child does not attend for any reason. All schools operate on guidelines from Greenville County Schools. The cost of our program is very much below that of private daycares; therefore, fees are paid whether or not your child attends.
