Bethel has a rich history of success based on its focus on academics and partnerships from its PTA. The Bethel PTA prides itself on the ability to offset school supply costs, provide special programs such as Mother/Son Night, Father/Daughter Dances, Burgers with the Bald Guy, and our annual Bethel Bash to create a positive school environment for all. These activities, along with many others, helps all cardinals - teachers, staff, and students - fly high each year.

While we are proud of the support we provide our school and community, it does come with costs. In order to offset these costs, we are offering opportunities for you to support these initiatives and gain recognition at the same time! Will you be a **Bronze Cardinal, Silver Cardinal, or Gold Cardinal? What about an App Sponsor, Folder Sponsor, or Class T-shirt sponsor?** Fill out the form to the right and return it to the PTA. Thank you for supporting our PTA and - more importantly - our staff and teachers as we work to make sure all #cardinalsflyhigh!

Questions?
