## MISSION STATEMENT PREPARATION

We are going to begin to form our mission statement for our class! Before we begin working through this quality tool I want you to prepare your mind to think about the following question. I would like you to write honest, heartfelt answers to these questions.

### QUALITY TOOL: THE FIVE WHYS

(1) Why are you in \_\_\_\_\_ grade?

---

---

---

(2) Now, I would like you to really think about the answer you wrote for number one. Why is #1 important?

---

---

---

(3) Again, think about why you answered number two the way you did. Why did you write your answer? Why is #2 important?

---

---

---

(4) Now you are getting the hang of this tool. Why did you write your answer for number three? Why is #3 important?

---

---

---

(5) Why did you write your answer for number four? Why is #4 important?
