

BONDS

CAREER CENTER

WHERE EDUCATION MEETS EXPERIENCE

SIC Report to Parents 2025-2026

Bonds Career Center offers 15 Career and Technical programs for high school students. There are approximately 545 students enrolled, comprised mainly from our four feeder high schools: Blue Ridge, Eastside, Greer, and Riverside. Students have the opportunity to earn industry recognized certifications and/or participate in a Work Based Learning program while enrolled at Bonds. Bonds Career Center gives students a competitive advantage of graduating high school both college and career ready.

Student Achievement

Student Certifications

During the 2024-2025 school year, Bonds students earned a total of **1,981** industry recognized certifications.

Work Based Learning

Our students completed a total of **109** Work Based Learning experiences throughout the 2024-2025 school year.

2025-2026 SIC Goal

Our School Improvement Council goal for this year is to apply for the 2026 Dick and Tunky Riley Award for the state. This award honors local school improvement councils whose work has made a lasting impact on their schools and communities. We are proud to say we were one of seven schools across the state to make this years honor roll!
