

GREENVILLE COUNTY SCHOOLS

August, 20, 2019

Dear Bonds Career Center Parents,

A School Improvement Council serves Bonds Career Center. It is composed of parents, students, teachers, business partners, and school administrators. Membership on the council usually changes on a yearly basis although members are encouraged to serve longer if they can.

The primary functions of this committee are to get to know the school better, to make recommendations to administrators for program improvement at the school, and to review and sign off on certain reports.

School Improvement Council meetings are usually held during the lunch time hours. We realize your time is valuable and try to keep our meetings to one hour. Lunch is also served at each meeting. If you are interested in serving on the School Improvement Council, please fill out the form below and return it to Bonds Career Center as soon as possible.

Yes I am interested in the School Improvement Council.
