Blue Ridge High School Student Council & Student Body  
Attention: Amy Roddey/Allison Skinner  
2151 Fews Chapel Road  
Greer, South Carolina 29651

Dear Blue Ridge Students,

Last week, you did something amazing. The student council and student body of Blue Ridge High School - Fighting Tigers, all - helped make it possible for brave military veterans, police officers and firefighters in South Carolina to receive highly trained, life-changing PAALS assistance dogs.

You channeled your energy, enthusiasm, creativity and spirit of giving into raising more than \$11,290 for PAALS' *Rob's Best Friend Fund*. On behalf of our board, staff, volunteers and clients, I want to thank you for your hard work and generosity.

We were so impressed by all of you on our visit to your school last week. We loved the pep rally and were honored and delighted by the presentation at the football game.

By donating your time and money for a cause beyond yourselves, you've shown the world who you are. I believe that your willingness to help others in need will come back to you many times over, helping each of you grow in self-confidence and optimism.

We hope you'll stay in touch with the PAALS team throughout your high school years and beyond. Please follow us on Facebook (PAALS - Palmetto Animal Assisted Life Services) and Instagram (paalsinsc), and visit our website ([www.paals.com](http://www.paals.com)). We, in turn, will keep an eye on Blue Ridge High School, now and forever, a valued PAALS community partner.

Sincerely,

  
Jen Rogers  
Executive Director and Co-founder
