

## Vision, Mission, and Beliefs

---

### Vision:

We are BR where positive attitudes and understanding hearts make a great school community.

### Mission:

We build college and career ready graduates by providing engaging classes, creating meaningful experiences, and developing character, leadership, and citizenship.

### Belief Statements:

We believe..

- Our school shares similar values with that of our community.
- Our school is a family working together to ensure the success of all students.
- Students learn best in a safe, caring student-centered environment.
- Students learn best in a supportive environment where individual student needs are met.
