Students:

As a student in Greenville County School District, I understand that I am being issued a Chromebook to enhance my educational experience. It will be in my sole possession for use at and away from school. I understand that I am responsible for the equipment (Chromebook and charger) issued to me, and I will care for the equipment in such a manner as to prevent loss, damage, or theft to the best of my ability. I understand that I may be responsible for paying for damage to my Chromebook if it is determined that I did not follow the expectations stated below. I further understand that:

- The Chromebook is an instructional tool/resource and will be brought to school every day charged and ready for use. Chargers are meant to remain at home. Failure to bring a charged Chromebook to class could result in disciplinary action.
- The equipment should never be left unattended.
- I will use extreme care and caution in the protection of my designated equipment.
- In the event of damage or loss of any of the equipment, I am responsible for reporting to the Media Center from 8:00 am to 8:30 am. Law enforcement will be notified if the Chromebook is stolen.
- I will return the Chromebook and accessories to Blue Ridge Middle School on or before the last day of the school term, my last day of enrollment, or immediately upon request at any time, and I shall return the Chromebook in the same condition as it was issued by the school.
- The equipment is the property of the Greenville County School District. I will not remove or alter any district or school labels, markings, or barcodes. I will return the Chromebook and charger that were issued to me. If all items are not returned, they will be considered lost.
- I will not install, use, operate, or maintain the Chromebook improperly, carelessly, in violation of any applicable law, Greenville County School District policy, or in any manner contrary to this Agreement.
- I will not install any programs or change District-required settings on the Chromebook.
- The use of a Chromebook is a privilege, not a right, for educational purposes. The school may revoke my use of the Chromebook at any time it deems appropriate.
- Use of my Chromebook is governed by and subject to the rules, policies, and conditions contained in the Greenville County School District's technology acceptable use policy, and other applicable school and district policies, rules, and guidelines. I have read the policy in the BRMS handbook and fully understand my responsibilities.

Parents:

A yearly, non-refundable technology fee of \$25 (students who are full pay lunch), \$15 (students who are reduced price lunch), or \$5 (students who receive free lunch) is required to cover accidental damage by the student. Payment in full to Blue Ridge Middle School is expected by the end of August each year before Chromebooks are issued.
