Bryson Middle School Family,

Welcome to the 2021-2022 school year! Bryson is a great place to be, and we are happy that you are here with us! We are excited to begin the 2021-2022 school year with a few less restrictions. However, we are still working to maintain a safe and conducive learning environment for all students and staff. Therefore, there may be changes to this handbook multiple times throughout the school year to ensure the safety of all students and staff members here at Bryson. Please take time to review our online handbook for updates throughout the school year as well.

We look forward to continuing our STEAM/PBL instructional focus here at Bryson which allows students to use their critical thinking skills to solve real-world problems. Our instructional focus ties into Greenville County's "Building a Better Graduate." In addition, it allows students to have hands-on experiences and truly connect with what they are learning in the classroom to the real world.

Students, please take time to read through this handbook with your family to ensure you are prepared for success here at Bryson Middle School. Teachers and administrators will also be reviewing highlights from the handbook during the first week of school; however, it is very important for all stakeholders to be aware of what is located inside the handbook as well. Once you have completed reading the handbook, we ask that parents complete an electronic form to denote they have read and reviewed the handbook with their child and know where to locate the most updated version of our handbook. (Please see the QR Code at the bottom of this letter or use this [LINK](#) to complete the form.)

Communication is key in creating a successful learning environment, and we try to communicate with you using various methods such as social media, school telephone messenger, Back Pack, email, and our website. There is always something going on here at Bryson Middle School, and we want to encourage all students to get involved with our school and stay connected. Please reach out to any of our staff members for support! We look forward to working with you this upcoming school year and beyond.

Sincerely,

Caroline McCuen-Bohnenberger, Principal

Homework: Homework may be assigned daily in academic subjects. It may be assigned to review and strengthen class work or to help students learn how to study independently. Some assignments may be spread out over a longer period of time so that students can show they are able to gather and present information.

Homework and daily assignments will be posted on teacher's websites and/or Google Classroom for access by both students and parents.

Make-up Work: When a student is absent, school policy allows five days after returning to school to complete make-up work. Students are responsible for contacting each teacher for missed work. The request should be made immediately upon returning to school. A parent may request make-up work for extended

absences. Make-up work may be accessed online, provided via email or picked up in the front office after making arrangements with school staff.

Late Work Policy:

Students are expected to follow classroom rules and complete assignments during the allotted class period. Any student off-task and not completing classroom assignments will receive a disciplinary infraction. However, if a student misplaces an assignment or needs to hand in any work after the assigned due date, then they will need to adhere to the following late work policy.

- Five (5) points will be deducted each school day the assignment is late.
- Students are encouraged to use time before school, after school and during flex time to complete assignments to avoid late work. If a student is absent on the date an assignment is assigned, the student will have 5 days without penalty to make up the assignment.

Cheating or Plagiarism:

The School District of Greenville County expects students to maintain integrity in all school work and refrain from any action that would bring dishonor to them or their school. Copying the work of others and submitting it as one's own or securing or providing answers in a dishonest way is forbidden. Plagiarism from the internet is included in this offense.

Consequences:

- Parent notification is required.
- The student will be counseled by the teacher or other school personnel.
- Student may be required to repeat the assignment.
- Additional disciplinary actions may be applied.

Protocol for testing:

- Both of the student's hands are to be visible at all times during the exam/testing.
- Students are not to communicate with anyone verbally or non-verbally during the exam/testing period.

- If a student needs something from their pocket, purse or backpack, then they must first obtain permission from the teacher or proctor.
- The student may not leave their seat or the room without permission from the teacher or proctor.
- Only the items required for the exam/testing should be visible on the desk.
- When the student has finished the exam/test, the classroom teacher will provide next steps.

Failure to comply with the above protocol may result in disciplinary action.

Chromebooks: Each student will be issued a Chromebook provided by Greenville County Schools. The Chromebooks are permitted to go home with students for educational use. However, students will be responsible for maintaining the Chromebook’s good condition and returning it at the end of the school year. Students will also be responsible for ensuring their Chromebook is charged for school each day.

Misuse of Chromebooks has the potential to earn disciplinary consequences such as, but not limited to, lunch detentions, In-School Suspensions, and Out-of-School Suspensions as well as loss of Chromebook privileges. Examples of conduct warranting disciplinary action include, but are not limited to, the following:

- Downloading unapproved apps without receiving permission.
- Leaving Chromebook unattended.
- Removal of student ID from Chromebook case.
- Deleting school installed settings from a Chromebook.
- Lack of adequate care for Chromebook, case, charger, etc.
- Modifying Chromebook settings in any way on your own Chromebook or another student’s Chromebook.
- Adding a credit card to a Google Account (Google Wallet) to purchase music/unapproved apps.
- Logging in under your personal Google account
- Leaving Chromebook at home.
- Loaning of student device to other students inside and outside of school.

- Multiple damage instances caused by lack of care for the Chromebook and other peripheral devices.

Chromebook Technology Fee: (There will be no technology fee for the 2021-2022 school year.) However, parents and students must complete a Use Agreement Form before the student receives a Chromebook.

Students will be charged a \$25 technology fee to help cover the cost of one cracked screen repair and an additional minor repair (cracked hinge covering or a non-functioning touchpad). Students who qualify for reduced lunch will have a reduced technology fee of \$15 and a \$5 fee will be charged for students qualifying for free lunch. One accidental damage or one screen repair is covered by the yearly technology fee. Any additional repairs per year are not covered. Students will be required to pay for additional damages. A new Chromebook will not be issued unless the charge of the repair or the full price of the Chromebook is paid. Please note accidental damage also does not cover the replacement for a lost or missing Chromebook or Chromebook charger.

Textbooks: Due to the use of Chromebooks, very few textbooks, if any, will be distributed to students. Students who receive textbooks need to be aware that lost or damaged books (beyond normal wear and tear) will be the responsibility of the student and replacement will be expected. Price is subject to change annually based on specific book titles and years in publication. The school will refund students for found textbooks provided students have the receipt.

III. ATTENDANCE

Arriving Late to School

- All students arriving in the building after 8:30 A.M. should report to the front office for a tardy pass.
- Bus riders will receive a "Late Bus" pass and will have five minutes from the time on the pass to get to their first class.
- Car riders will receive an "unexcused" or "excused" tardy pass. Unexcused tardies may result in disciplinary actions.

Attendance

- In South Carolina, all children are required to attend a public or private school or kindergarten beginning at age five (5) and continuing until their 17th birthday. If a child is not six (6) years of age on or before the first day of September in a particular school year, parents/guardians may choose not to send their children to kindergarten; however, they must sign a waiver which may be obtained at the local school.
- In accordance with the South Carolina Compulsory School Attendance Law, the School District of Greenville County has adopted uniform rules to ensure that students attend school regularly. Each day that students are not in school, they miss hours of valuable instruction and opportunities for learning that they will not have again. Students are counted present only when they are actually in school, on homebound instruction, or are present at an activity authorized by the school principal. A student is considered in attendance when present for at least three (3) hours of the school day.
- Any student who misses school must present a written excuse, signed by his or her parent or legal guardian or a healthcare professional, for all absences within two (2) days of the student's return to school. The written excuse should include the reason for and the date of the absence. If a student fails to bring a valid written excuse to school, his or her absence will be recorded as unlawful. Schools will use the criteria below when deciding whether an absence is lawful or unlawful.

Lawful Absences

- A. Absences caused by a student's illness and whose attendance in school would endanger his or her health or the health of others. These absences must be verified by a physician statement within two (2) days of the student's return to school.
- B. Absences due to an illness or death in the student's immediate family verified by a statement from the parent within two (2) days of the student's return to school.

C. Absences due to a recognized holiday of the student's faith when approved in advance. Such requests must be made to the principal in writing.

D. Absences for students whose parents/guardians are experiencing a military deployment, specifically when the parent or legal guardian of a student is an active duty member of the uniformed services and has been called to duty for, is on leave from, or immediately returned from deployment to a combat zone or combat support posting, shall be excused as long as such absences are reasonable in duration as deemed by the principal so that the student can visit with his or her parent or guardian relative to such leave or deployment of the parent or legal guardian.

E. Absences due to activities that are approved in advance by the principal. This would include absences for extreme hardships. Such approval should be pre-arranged when possible.

Unlawful Absences

A. Absences of a student without the knowledge of his or her parents.

B. Absences of a student without acceptable cause with the knowledge of his or her parents.

Approval of Absences in Excess of Ten (10) Days

The school year consists of 180 school days. Students are allowed ten (10) excused absences covered by a parent note each school year. After that point, the absences will only be excused provided that there is a medical excuse provided by a healthcare provider. If a medical excuse is not provided, the absence will be entered as an unexcused/unlawful absence. Please see the [SC Compulsory School Attendance Law](#) where the amount of unexcused/unlawful absences is monitored and therefore a student/parents could face legal action.

Early Dismissals

The student who needs an early dismissal must bring a note written and signed by the parent or guardian to the main office before 1st period. The note must contain the following information: date, name of student to include first and last name, time of dismissal, reason for the dismissal, name of the person picking up the student, telephone number where the parent can be reached for

verification and signature of the parent. The parent or guardian will be required to come into the office to sign the early dismissal sheet. Identification will be necessary before the student is permitted to leave. No early dismissals are allowed after 2:45 P.M.

Perfect Attendance Criteria

In order to qualify for 12-Year Perfect Attendance recognition from the South Carolina State Department of Education, a student must not have accumulated **any absences –Excused or Unexcused** since being enrolled in a public school as a first-grade student. A student cannot have had any type of absence including bereavement, medical, court order, etc. during the 12 years of public school attendance. The only exception to this would be a school sponsored Field Trip/College Visit, both of which would be coordinated through the school with prior approval from the Principal. The definition of an absence at a Greenville County Middle School is missing any singular class period a student is enrolled in, or multiple class periods a student is enrolled in, during a school day. Absence in any part of the school day for a minimum of one half class period, even if the student was present for other portions of that same school day, by definition excludes a student from being determined to have Perfect Attendance.

IV. COVID-19 PROTOCOLS

Students and staff must follow the most updated version of COVID-19 protocols located on our webpage and on the district website as well. As the rules and protocols are ever changing, please go to our website for the most updated information.

Students who leave their 7th period classroom before their bus is posted will be subject to disciplinary action.
- **Car riders** will remain in their 7th period classroom until their name is posted on the Promethean board or television screen. Dismissal will begin at 3:15. 6th grade car riders will use the car loop on the side of the building, while 7th and 8th graders will use the front car line in the p.m. Any car riders remaining after 3:45 will be transferred to the late bus holding room and remain there until a parent checks the student out of the building through the front office. Students who leave their 7th period classroom before their name is posted will be subject to disciplinary action.

- **Walkers** will be dismissed after the announcements at 3:15 p.m. and will leave campus immediately via the front breezeway. Students should use caution when crossing streets. Students are advised not to cross the interstate highway. Hillcrest High walkers are dismissed at 3:45 to the bus area.
 - Students not involved in extracurricular activities sponsored by Bryson Middle School should be picked up by 3:45 p.m. There is no supervision provided after 3:45 p.m. If you have special circumstances that prevent you from being here by 3:45 p.m. to pick up your child, then you will need to make arrangements with the main office.
- If a student is consistently picked-up after 3:45, then the parent will be notified and provided information for the school's extended day program.
- **Messages** will not be delivered to students regarding changes in transportation unless it is an emergency. Parents should remind their child of any change in transportation for that day before arriving at school. Delivering messages to students causes interruptions during instructional time.

Early Dismissals: Students who need to leave school early must present a note written by a parent or legal guardian to the front office upon arrival to school. There will be no early dismissals after 2:45 p.m. (on the half days of school there will be no dismissals after 12:00 p.m.). The note must include the following: student's name, specific reason for early dismissal, specific time for dismissal, name of person transporting the student, and a telephone number where a parent can be reached or for verification. The student will not be called from class. The student is to notify the teacher when it is time for he/she to leave. When the time comes the student should come to the front office.

The parent or guardian must come into the front office and sign the student out. You must know the child's birthdate and be authorized to pick the child up from school (photo ID will be required). If anyone other than the parent or guardian picks up

the student, identification may be necessary before the student is permitted to leave.

Financial Transactions:

When submitting payment to the school staff, the cash/check/money order must be submitted before 12:00 p.m.

Guidance Services: Guidance services are available for every student in the school. These services include assistance with educational planning, interpretation of test scores, occupations information, career information, study help, help with home, school and/or social concerns, or any other questions the student would like to discuss with a counselor. Students must have an appointment and/or pass to meet with the counselor.

School Counselors:

Health Room: A full-time RN is stationed in our school health room to supervise the students' medical and emergency needs. The health room is merely an emergency station and is not equipped to take care of any serious illness. Students will only be dismissed from school in case of illness from the Health Room. A parent or doctor's note is required upon the return of the child who was dismissed from the Health Room. Students may not contact parents regarding illness using personal cell phones or a classroom phone. If a student becomes ill at school, he/she must go to the Health Room where the nurse will evaluate whether or not that student needs to go home. Parents are to notify the school nurse, in writing, if any health conditions pertinent to the child's wellbeing such as asthma, epilepsy, toxic reactions to bee stings, diabetes, bone and joint problems, etc..

All students will receive an emergency information sheet to be completed by parents in their first day packet. Please complete the form and return it with your student as soon as possible.

Immunizations: The state requires that each student present the school with a valid South Carolina Certificate of Immunization or Certification of

Exemption. Students who do not have immunization records on file with the school will not be provided a schedule. Please provide the above information to the front office.

Tdap Immunization is required for all 7th graders unless the parent has submitted an objector's statement prior to the first day of school in order for a student to obtain their class schedule and attend school on the first day. Parents must provide the school with documentation of the Tdap immunization, a religious exemption, or a medical exemption. Parents are encouraged to submit this documentation as soon as possible. State Law began the requirement for the Tdap vaccination beginning with the 2013-2014 school year.

Medication: Due to changes in South Carolina policies governing the administration of prescription medication, we will no longer have a 10 day grace period before written physician authorization is required for all prescription medications.

- Parents are required to bring prescription medication to the school nurse and provide Form Med-1 before any prescriptions medication may be left at the school
- If your child must self-administer medication at school, Form Med-2 is required before medication is brought to the school nurse.
- A parent may provide written authorization for over-the-counter medication to be kept and administered in the health room using Form Med-3.
- Any substance not regulated by the FDA (i.e. Herbal/Alternative Medicinal Products) will not be administered by GCSD Employees. A Physician Authorization form as well as a Parent-Student Agreement form must be completed and turned into your school nurse prior to allowing your student to self-administer an herbal/alternative product in a school setting.

*All medications must be in the original container and will be administered as labeled. Expired medications will not be administered.

Vision Screening: The school nurse will administer vision screenings for seventh graders each school year. Parents of children who do not pass the screening will be

notified. There will be a form to complete before the screening takes place.

All Health Services procedures/guidelines and above mentioned forms can be found in a more detailed manner online at

<http://www.greenville.k12.us/gcsd/depts/stuserv/health.asp>

Inclement Weather: Should inclement weather threaten the normal school schedule, students and parents should tune in to their local television or radio station for announcements about school openings and closings. When weather creates a delayed opening of school, students are to report according to the delayed time.

Lockers: Lockers will be provided upon request only. A request must be communicated to the grade level administrator. Request for a locker may not be made unless there is a health concern or a need to store sports equipment during the school day for those who play sports on-campus or at the high school level.

Media Center: All school rules apply in the media center. The media center is open from 7:45 a.m. to 3:45 p.m. Students may come with their classes or individually with a pass from a teacher. Only one name can be included on the pass from a teacher.

Books (up to three) may be checked out for a period of three weeks and may be renewed once. Books in great demand may not be renewed. No student may check out materials and/or books for another student. All fees should be paid promptly. Students may not collect report cards and participate in extracurricular activities if fees are owed to the media center.

The Maker Space in the Media Center is a space designed specifically for students to create and collaborate. The Maker Space offers a variety of STEAM-based activities and materials for creating and building, including 3-D printers, Legos, Robotics, etc.. All students must have a pass to visit the Maker Space.

Pledge of Allegiance: Bryson Middle School students will collectively participate in the Pledge of Allegiance and moment of silence. These activities will take place at the beginning of the school day. Any individual who chooses to abstain should remain quiet and respect the rights of others to participate.

Safety Drills are held at regular intervals throughout the school year. Practicing these drills in an orderly fashion promotes safety in case of a real emergency. To ensure safety, remember these basic rules:

- Check instructions in each classroom for emergency procedures (posted near door).
- Move quickly and quietly to designated areas.
- Listen for teacher instruction.
- Misbehavior during a safety drill will result in a disciplinary infraction.

Social Clubs: Students who are members of social clubs, fraternities, sororities, and other non-school sanctioned organizations are not permitted to carry on sales, initiations, or other club activities. Any sort of club-related “hazing” or intimidation is not allowed.

Student Responsibilities: A responsibility is an obligation one has to ensure the rights of all are protected.

All students have the responsibility to:

- Attend school to receive an education daily unless ill or legally excused
 - Schools cannot educate students who do not attend school.
 - South Carolina law requires a student to attend school until his/her 17th birthday.
- Be on time for all classes
 - Students who enter a classroom after a lesson has begun are interfering with the rights of others to learn and study. Punctuality is a habit that students must develop if they are to succeed in the world of work.
- Come to class with necessary materials
 - A teacher should not have to delay instruction because a student has come to class unprepared. This is interfering with the rights of others to learn and study.

- Complete all in-class and homework assignments as well as meet deadlines
 - The full responsibility for student learning does not rest solely with the teacher. Education cannot be effective unless students participate in class and complete the outside assignments.
- Obey school rules and school personnel
 - No one has the right to interfere with the education of others. Rules are designed to allow a school to meet its obligation to educate students.
- Cooperate with school staff
 - Every community depends upon its citizens to uphold the rules by which everyone has agreed to live. Students have the responsibility to provide truthful information when asked by school authorities.
- Respect the people and their property
 - Treat people and their property with respect.
- Respect public property
 - Schools are a community investment and resource for young people. People who damage school property will be held responsible.
- See that school correspondence to parents reaches home
 - Education is a partnership between home and school. Students must do their part by not intercepting or destroying progress reports, report cards, attendance information and by delivering home any school correspondence.

School Telephone: Students are to use the phone in the office for special circumstances only with permission from a member of the Bryson Middle School staff. The phone is not for travel arrangements or to retrieve forgotten articles.

Visitors: Visitors must secure administrative approval before being allowed in any part of the building. All visitors, including parents, must report to the office, obtain permission, sign-in, and receive a name tag before reporting to any other area in the school. If you wish to visit a classroom, you must make arrangements,

in writing, to the teacher, office clerk and grade level administrator at least 24 hours in advance.

VII. STUDENT BEHAVIOR

Discipline: Conduct of Students: All students at Bryson Middle School will be required to conduct themselves in a manner that will be in the best interest of the school and its students. Improper conduct will not be tolerated.

At the beginning of the school year, teachers will review Bryson Middle's school behavior program, which promotes positive student behavior while also providing consistency for the teachers and students should a discipline problem arise.

Please reach out to your student's teacher, administrator or counselor with any questions regarding your student's behavior.

Teachers and administrators will keep a record for each student. Any infractions will be recorded daily, should a student choose to violate the discipline code. Violations will be handled utilizing any one or several of the following interventions:

- Warning, silent lunch, no outside free time, parent phone calls, parent conferences, reflection time, In School Suspension (ISS), Out of School Suspension (OSS) and/or referral to administration.
- For major offenses, an administrative referral may be the first step.

Students who receive a discipline referral while in ISS will receive OSS

Referral: There are some discipline issues that will result in immediate referrals. Examples of these types of offenses include but are not limited to fighting, profanity, disrespect, student removal from class, etc. A student receiving a referral will see an administrator and appropriate action will be taken. Administrative actions may include: parent conferences, in-school suspension, out-of-school suspension, referral for alternative placement, or recommendation for expulsion.

Suspension and Expulsion: Student conduct that significantly disrupts class work, or involves disobedience will result in a referral. The school district will make every reasonable effort to keep students within the school's sphere of influence. Nevertheless, any student conduct that disrupts class work, brings disorder to the school, or infringes upon the rights or safety of others is a basis for suspension and/or expulsion of students.

Actions that could lead to suspension or expulsion include but are not limited to the following:

- Bomb threat

- Gross disobedience or insubordination (this includes refusing to identify yourself or lying about your identity).

"Turned on" includes an electronic device that is activated, set or programmed to ring, vibrate, or otherwise receive a signal or message. A person who finds a student in possession or use of an electronic device in violation of this policy, must issue a disciplinary action. Students using the electronic devices to video other students/ faculty or post photographs of students/faculty without permission may lead to suspension and/or expulsion.

Off Campus Behavior:

Administrators will take appropriate action when information becomes available about student misconduct away from school grounds or school activities that may have a direct and detrimental effect on or seriously threaten the discipline, educational environment, safety or general welfare of students, faculty, staff, and/or administrators of the district.

It is the responsibility of any student in Greenville County to be aware of the code of conduct for the district. A complete list of the behavior code can be found on the GCSD webpage under the School Board link:

District's Discipline Code: www.greenville.k12.sc.us

Reporting Bullying, Discrimination, Harassment, Intimidation and Misconduct

The District is committed to fostering an environment that both promotes learning and prevents disruptions to the educational process. Accordingly, the District prohibits all forms of bullying, discrimination, harassment, or intimidation. As provided in Board

Policy and Administrative Rule JCDAG, students and parents may file a report of bullying, discrimination, harassment, intimidation, or misconduct by other students, employees of the District, or third parties involved in the school setting.

All reports should be filed with the principal or his or her designee. Reports may also be filed by a student's parent. If the allegation is against the school's administration, the student or parent should file a report directly with the District's Parent Resource Representative. (See Policy JA for contact information). Anonymous reports may be made, but those reports must provide the District with adequate information in order to begin an investigation.

Additionally, students and parents should immediately report any concerns related to employee interactions with students that are inconsistent with the requirements and expectations contained in Board Policy GBV. Concerns that should be immediately reported to a school's administration include potential mistreatment of students and other conduct by employees that could constitute inappropriate interaction or communication, including those sexual in nature.

Investigations and Consequences

Reports will be investigated promptly, thoroughly, and confidentially. The investigation shall include appropriate steps to determine what occurred and to take actions designed to end the harassment, intimidation, or bullying, and prevent such misconduct from recurring. The student and his/her parent shall be informed of the results of the investigation and shall be advised how to report any subsequent issues. Any discipline of students or staff shall remain confidential.

If the investigation determines that inappropriate conduct has occurred, the administration shall take reasonable, timely, age-appropriate, and effective corrective action. Examples of corrective action include, but are not limited to, disciplinary action against the aggressor, up to and including termination of an employee or expulsion of a student.

The District prohibits retaliation or reprisal in any form against a student or employee who has filed a report.

The District also prohibits any person from falsely accusing another person.

Appeals

Notification of the outcome of the investigation will be issued in writing to the complainant and the complainant will be informed of the right to appeal. An appeal related to disability discrimination or harassment should be made to the District's 504 Coordinator. An appeal regarding color, race, or national origin should be made to the District's Title VI Coordinator. An appeal regarding sexual harassment, sexual misconduct, or gender discrimination should be made to the District's Title IX Coordinator. (See Policy JA for contact information). A complainant may then appeal the decision of the coordinator to the Superintendent or his or her designee.

A complete copy of the District's Policy, Administrative Rule, and report form referenced above can be located at <http://www.boarddocs.com/sc/greenville/Board.nsf/Public#>. You may also receive a copy of Policy JCDAG, Administrative Rule JCDAG, or the report form from your school upon request.

Student Speakers at School-Sponsored Activities

The School District of Greenville County is committed to maintaining an educational environment in which students of all backgrounds, beliefs and religions are welcome and treated with equal dignity and respect. The District will neither advance nor inhibit religion. In accord with the United States Constitution, the District protects private expression, including religious expression, by individual students as long as that expression does not create a disruption to or interfere with the educational environment.

Student speakers at school-sponsored activities, including graduations, may not be selected on the basis that either favors or disfavors religious speech. Where student speakers are selected on the basis of genuinely neutral, even-handed criteria and retain primary control over the content of their expression, that expression is not attributable to the school and therefore may not be restricted because of its religious or secular content. In contrast, where school officials determine or substantially control the content of what is expressed,

such speech is attributable to the school and may not include prayer or religious content. A school, however, may prevent or remove a speaker if the content of their speech is obscene, contrary to the District's behavior code or substantially disruptive to the school environment.

For a comprehensive overview of student's rights, please review the U.S. Department of Education's guidelines on religious expression in public schools at: <https://ed.gov/policy/gen/guid/religionandschools/index.html>

I. Introduction

Each employee, student or non-student user of Greenville County Schools (GCS) information system is expected to be familiar with and follow the expectations and requirements of this administrative rule.

A. Legal Requirements

GCS is committed to complying with applicable information security requirements and relevant information security standards and protocols. These requirements include, but are not limited to the following:

1. The Family Educational Rights and Privacy Act (FERPA)
2. Children's Internet Protection Act (CIPA)
3. Individuals with Disabilities Education Act (IDEA)
4. Children's Online Privacy Protection Act (COPPA)
5. Health Insurance Portability and Accountability Act (HIPAA)

Users of GCS's network are required to adhere to state and federal law as well as board policy. Any attempt to break those laws or policies through the use of GCS networks may result in discipline or litigation against the

offender(s) by the proper authority. GCS will provide any information necessary in order to fully cooperate with the appropriate authorities in the civil and/or criminal process.

B. Acceptable Use

GCS provides computer, network, e-mail, and Internet access to individuals as part of the learning environment. The use of these resources is a privilege and not a right. While these systems have the power to deliver a vast number of resources to classrooms and enhance education, their effectiveness depends on the responsible and ethical use by every individual. Violation of this administrative rule will result in the loss of this privilege and may result in discipline or litigation in accordance with board policy and state and federal law.

II. Student Acceptable Use

This section is dedicated to provide GCS students with guidance of acceptable use of the district's information technology resources, including but not limited to:

1. The internet, intranet, e-mail, portal;
2. District assigned computing devices such as personal electronic devices, laptops, desktops and portable storage; and
3. The District's network and supporting systems and data transmitted by and stored on these systems.

A. Compliance with Copyright Laws

Students are to follow copyright laws at all times. Students should refer all questions regarding copyright concerns to administrators at their school.

B. Filtering and Monitoring Computer Resources

The District takes reasonable precautions by using filtering software to keep inappropriate Internet sites and e-mail out of the classroom. The District strongly adheres to the guidelines set forth by COPPA and CIPA when installing filtering/monitoring software devices on District equipment. The District does not supervise individual e-mail accounts.

1. Children's Online Privacy Protection Act (COPPA) Internet Permission Form-COPPA requires verifiable parental consent before a child under the age of 13 can access a

commercial website or use a commercial mobile/tablet app. The law permits schools districts to obtain consent from each parent which is difficult to do in a classroom setting. This form will be sent home in the first day of school packet for parent signature and is required if the student is to access the internet at school.

2. The District reserves the right to review any e-mail sent or received using District equipment and e-mail accounts.
3. Students must adhere to the behavior expectations while using technology and e-mail, including but not limited to those expectations contained in board policy. The District's Behavior Code is Board Policy JCDA.
4. Technology is constantly changing and evolving. Due to the nature of the Internet, online communications, and evolving technology, the District cannot ensure or guarantee the absolute safety of students during the use of technology, including email and the Internet. Parents and students should contact the school immediately with any concerns related to the use of technology.

C. Prohibited Uses of GCS Resources

The following uses of GCS computer resources by students are prohibited from:

1. The use of school computers for commercial purposes.
2. The use of obscene, bullying, profane, lewd, threatening, disrespectful, or gang related language or symbols.
3. The bypass or attempt to bypass any of the District's security or content filtering safeguards.
4. Allowing another person to use the computer under your District login.
5. Adding, modifying, repairing, reconfiguring or otherwise tampering with any device on the network infrastructure including, but not limited to: wireless network devices, computers, printers, servers, cabling, switches/hubs, routers, etc.

6. Unauthorized access, overloading, more commonly known as Distributed Denial of Service or Denial of Service, or use, or attempted unauthorized access or use of District information systems.
7. Destroying or tampering with any computer equipment or software.
8. The use of any "hacking tools" that can be used for "computer hacking", as defined in the South Carolina Computer Crime Act, may not be possessed on school property, on any District premise, or run or loaded on any District system.
9. The use of school computers for illegal activities including but not limited to planting viruses, hacking, or attempted unauthorized access to any system.
10. Violating any state or federal law or regulation, board policy or administrative rule.

Students, parents and guardians agree that GCS computer equipment must be handled with care and respect.

D. Consequences

Students who violate this administrative rule may be subject to disciplinary action including expulsion in accordance with board policy and state/federal law. Suspected criminal activity must be immediately reported to law enforcement.

III. GCS Internet Safety and Other Terms of Use

A. General Access

In compliance with the Children's Internet Protection Act ("CIPA"), U.S.C. §254 (h), the District uses technological devices designed to filter and block the use of any of the District's computers with Internet access to retrieve or transmit any visual depictions that are categorized as obscene, child pornography, or "harmful to minors" as defined in the CIPA.

1. Though the District makes reasonable efforts to filter such Internet content, the District cannot warrant the effectiveness of its Internet filtering due to the dynamic nature of the Internet.

2. Users of a District computer with Internet access may request that the "technology protection measures" be temporarily disabled to conduct bona fide research for another lawful purpose. These requests should be made to ETS with the knowledge of that employee's supervisor.

B. Personal Safety

The following list is considered precautions taken by GCS to ensure the safety of students, staff and the public.

1. Students will not post or email personal contact information about themselves or other people unless it is in conjunction with a specific teacher-approved assignment or approved college/career communication.
2. Students will not agree to meet with someone they have met online without their parent/guardian's approval.
3. Students will promptly disclose to an administrator, teacher, or other school employee any message they receive that is inappropriate or makes them feel uncomfortable.

D. Expectation of Privacy

Individuals should not have an expectation of privacy in the use of the District's email, systems, or equipment. The District may, for a legitimate reason, perform the following:

1. Obtain emails sent or received on District email.
2. Monitor an individual's use on the District's systems.
3. Confiscate and/or search District-owned software or equipment.

The District may confiscate and search personal electronic devices in accordance with *New Jersey v. T.L.O.* and applicable law.

IV. Expression of Religious Beliefs

The School District of Greenville County supports individual student rights to express religious beliefs as long as expression does not interfere with the rights of others or the operation of the school. For a

comprehensive overview of student's rights, please review the U.S. Department of Education's guidelines on religious expression in public schools at <http://www.ed.gov/Speeches/08-1995/religion.html>.

State Law requires that student handbooks contain this notice:

School Safety Act of 1996 State law requires that student handbook contain this notice: Any student who commits an aggravated assault and battery on school grounds or at a school-sponsored event against any person affiliated with the school in an official capacity is guilty of the misdemeanor of assault and battery against school personnel and may be fined not more than \$1,000.00, imprisoned for not more than one year, or both. Judicial, law enforcement, or corrections officials must notify the principal of any conviction of this crime of assault and battery of a high and aggravated nature against a school official, and of other "violent crimes". Any school official who reports a school-related crime in good faith is immune from criminal and civil liability arising from the report.
