Calendar Development

The calendar is approved each year by the superintendent after considering a recommended calendar from a committee of parents, teachers, principals, assistant principals, and central office staff. The calendar committee develops its recommendations after receiving input from parent groups, school faculties, and departments.

Religious Observances

School officials cooperate with students and employees when they need to be absent to participate in religious observances. Students missing school are given an opportunity to make up work without penalty. Employees may use personal days (or vacation if applicable) to observe religious holidays.
