

Character Trait: Friendliness

Greeting others with a smile and a kind word. Accepting someone the way they are.

Listening to and seeking to understand the thoughts and feelings of others.

When you have a problem, don't pout. Just talk to your friend and work it out.

"Be kind to everyone, but choose your friends wisely." - Dr. Randall Parr

Paying a compliment to someone. What makes a good friend?

Do you have the qualities that others are looking for in a friend?
