## Spearman Announces 2014-15 Palmetto Gold and Silver Winners

Columbia, S.C. - State Superintendent of Education Molly M. Spearman announces the Palmetto Gold and Silver winners.

"I am pleased that so many schools are being recognized for their excellent performance and closing the achievement gap," said Spearman. "These awards are well-deserved and indicate the great strides administrators, principals, teachers, and students are making across the state. We will continue to embrace the Profile of the South Carolina Graduate to achieve educational excellence in every district," concluded Spearman.

The South Carolina Department of Education recognizes schools and career centers for general performance, closing the achievement gap, or qualifying in both categories. **Ralph Chandler Middle School has received the honor of Palmetto Gold for our overall performance.**

Thanks to everyone for their contributions to our success. Go Panthers!
