Re: New Swim Coach

Woodmont High School hires Ashley McAteer as new swim coach. Ashley McAteer graduated from Indiana University of Pennsylvania (I.U.P.) with a B.S. degree in Health and Physical education. She also excelled as a member of the I.U.P. Crimson Hawks where she assisted the team to four winning seasons. She is a four-time team record holder in the 50 free, 200 Free Relay, 200 Medley Relay and 400 Medley Relay. She also became a NCAA Division II College Swimming Coaches Association of America Scholar All-American, Academic All-American, All-American, member of the PA All-Conference, PSAC Conference, I.U.P National Team, and was voted Team MVP. Ashley swam competitively for sixteen years. At the High School Level, she holds two records for Penn-Trafford High School in the 50 Free and 200 Free Relay, and became a five time All-American and a USA Swimming/Academic All-American.

Woodmont Athletic Director, Ashley Jenkins commented, "Thanks to a great foundation led by several wonderful swim coaches, Woodmont has a highly competitive swim team. Having someone with Coach McAteer's collegiate swimming experience will only continue the program's success. We are thrilled to have someone of her caliber helping our student athletes. Another plus is that she is a teacher at Ralph Chandler Middle School, one of our feeder schools. Being at the middle school, Coach McAteer will be able to promote Woodmont Swimming to her students, getting more swimmers involved at an earlier age. This hire is not only beneficial to our swim team, but also to our entire athletic program, she's a great addition to our coaching family."

Sincerely,

Ashley Jenkins
