

Karina Montoya

Parent and Family Engagement Coordinator
Cherrydale Elementary School

Hello, my name is Karina Montoya and this is my third year as the Parent and Family Engagement Coordinator at Cherrydale Elementary School for the Greenville County Schools. I was born and raised in California. I come from a Hispanic background with both of my parents being born in Mexico. I enjoy traveling and spending time with my dog Dodger. Finally, I am a first generation graduate from California State University Stanislaus.

At Cherrydale Elementary School, I ensure the effective communication between parents and school staff, especially teachers and administrators. I use my bilingual skills to be able to communicate any messages to parents including: school messengers, parent conferences, and any other important parent information. I am involved and assist the Cherrydale community when hosting events including: Meet the Teacher Night, Hispanic Heritage Night, Field Day, Thanksgiving Harvest Lunch, Turkey Giveaway, Christmas Gifts and Shoes Giveaway, and Dress a Child Project. As a Parent and Family Engagement Coordinator, I guarantee to provide the best communication with parents so that their students' can be successful in school.
