(No School)

June 5 Last Day of School
(Half Day)

Please look for information
inviting you to your child's
end of the year conference.
It's very important for you to
attend this conference!

What We're Doing!

5K Transition Night

Mrs. Martin, a former Dunbar CDC teacher, will be here to answer all of your questions about 5K. She is currently teaching 5K at Taylors Elementary School.

Field Day

What a fun event and you are invited! The Children's Museum of the Upstate is going to co-sponsor this event with Dunbar CDC. We will have eight stations for you and your child to visit and everything is free.

Teacher Appreciation Week

Next week we are honoring our staff by showing how much we appreciate what they have done in helping to care for students at Dunbar CDC. You can help by being creative in showing your appreciation by having your child bring flowers from your garden or making a card. You do not have to spend money in saying "Thank You!"
