Phone: 355-7350

Dear Parents,

4K Pre-Registration will go through March 2. Families are welcome to register their child at Overbrook or any Greenville County Elementary School.

To be eligible, children must be 4 on or before September 1, 2018. You must bring your child's birth certificate, immunization record, and 2 documents to prove residency.

Call Overbrook (355-7350) if you need more information. Please pass this information on to families who have children eligible for 4K next school year.

Welcome to Cold and Flu Tips to Prevent the Flu

- Get Vaccinated – Influenza is preventable by vaccination.
- Wash your hands – and wash them often with soap and water.
- Keep sanitizer close – Use sanitizer when soap and water is not available.
- Don't touch your face – Germs will invade your eyes, nose and mouth by touching your face.
- SMILE – Smiling boosts your immune system.
- Eat right – Eating healthy meals strengthens your immune system.
- Exercise – Boosts your immune system and speeds recovery. If you do get sick, stay home a full 24 hours after your fever goes away to avoid getting others sick. Your child's immune system will be low and easier for them to get another sickness.
