Students  
Dismiss at 11:30

April 9th  
Literacy Night  
5:00-6:00

April 10th  
Picture Money is due

Spring Break  
April 15-19

It is Spring and we are finally starting to have some warmer weather! Time to get the family out and moving!

- Take a walk or play a family game of tag.
- Try something new like bowling, tennis or mini golf.
- Give children toys that encourage physical activity, such as balls, kites and jump ropes.
- Do yard work together.
- The Greenville area has an abundance of hiking trails and bike trails. Make time to check them out.
- Check out all the parks the Greenville area has to offer.
- Join an activity like dance, soccer, karate, football, baseball, etc.

Challenge yourself to find other fun activities to do together!

**Please join us for our Literacy Night on Tuesday, April 9th at 5:00. We look forward to spending time with you while having fun with literacy activities.**

### REMINDERS:

- Updated parent contact information is essential for our school! We need your CURRENT home and mailing address, and current phone numbers. If your information changes, please contact us with your changes immediately.
- Don't forget to return the transportation sheets for the next school year. Even if your child will be a car rider, the transportation office requests that you still complete a form. Thanks for getting these in quickly.
