February 2019

HELP US KEEP STUDENTS WELL!
Please do not send your child to school until they have been fever free for 24 hours *without* medication. They will also need to stay home until they have been free from vomiting/diarrhea for 24 hours. We are trying to prevent illness from spreading to other students.

Upcoming Events:

I Love Math Day
Friday, February 15

No School
Monday, February 18th

Triple P
For Parents
March 7 at 5:00

NO SCHOOL FEBRUARY 18

It is exciting to see the progress the students are making. They are continuing to work hard and learn more each day. Now that February is here, it will not be long before your students will be moving into kindergarten. Please continue to help them prepare by reading to them daily, reviewing the letters of the alphabet, counting items to 10 and writing first and last names. All these activities will help prepare your child to be successful next year in school.

We are currently pre-registering students for 4K for next year. If you know someone that needs to pre-register they should bring in birth certificate, photo identification, immunization certificate and 2 proofs of residence. The deadline to pre-register is March 12.

Valentines

As you are preparing to send in Valentines with your student, please remember the policy listed in the handbook. "No candy will be sent home with students at any time during the school year." Please make sure your Valentines

do not include candy. Also any food items sent to the classroom should be store bought with visible ingredient labels. Thanks so much for following this policy.
