This year has gone by so quickly and your child has learned so much! Thanks for allowing us to teach your child this year. Next week is **Staff Appreciation Week!** Be creative and show gratitude toward the people who have worked with your child this year. There are many creative ways how you can show appreciation without costing you money. Some examples are making homemade cards, pictures, flowers (from your garden) and art projects. You can also just say "Thank you."

June 5- Last Day of School

☐ Students will attend for half of the day.

☐ Special Education bus riders will be dismissed at 10:45.

☐ 4K Shuttle Bus riders will be dismissed at 11:30.

☐ Car Riders will be dismissed at 12:00.

This last month of school is a good time for you to help your child with independence. Work on the following things: Make sure he or she is walking in alone each day. Have your child be responsible for remembering his or her

book bag in the morning. Help students learn to tie shoes. Give your student small chores to do at home. Make sure they can open milk cartons, ketchup packets and straw wrappers.
