

Eastside High School

PTSA

“OPT IN” Fundraiser

This year, it is more important than ever to support our school. Last year, we had the Opt Out fundraiser. Now, it is time to OPT IN. In a year that volunteer access to schools will be very restricted, our fundraising activities will be limited. We need our members to pledge their support of EHS with a donation.

OPT IN

To provide our teachers with all the tools they need
To give our students with the best environment for learning
To maintain Eastside High School's status as "The World's Greatest High School"

100% of the proceeds will stay on our campus to support EHS.

\$250 + Donation - “Golden Eagle”

We promise to forget your name and face and not ask for another dime!
Golden Eagles receive two free EHS protective masks

\$100 + Donation - “Bald Eagle”

We hear you, you're "all in"
Bald Eagles receive two free EHS lanyards

\$50 + Donation - “Eaglet”

You love our community & want to be part of the Eagle family!
(We still aren't going to ask you sell anything)

You can also pick your own amount you feel comfortable with!
All funds will be spent within our school walls to support EHS students and staff!

Pay by cash, check, credit card, Venmo (@Eastside-PTSA), or online at PTSA Membership section on the EHS website.

I want to help support the PTSA at “The World’s Greatest High School”!
