Welcome to East North Street Academy of Mathematics and Science!

I am so excited to welcome you and your children to our Magnet School of Math and Science. The purpose of ENSA is to offer a strong academic program that is standards based with math and science integrated across the curriculum. In addition to raising the bar academically, we want to nurture your children in a safe and caring environment.

From the moment you come in the door and walk down the child-friendly hallways, you know you are in a very special place. Our beautiful school is a unique blend of the innovative use of math, science and technology along with enrichment activities in language arts, social studies, music, art, and physical education. This rigorous curriculum provides unlimited opportunities for all the children and the communities that we serve.

Our teachers and staff are well trained to help your children reach academic success. As your child's first teachers, we need you to emphasize the importance of doing and being the very best each day at school. We want our students to follow the school rules and procedures that are listed in this handbook and were provided. One of our jobs as educators is to teach your student responsibility. We need them at school, on time each day. We also need our students to be responsible for their class work. By working together as a team your child will succeed. Come join PTA and become involved in your child's education. We want you and we need you!

"ATOM THE TIGER" is our mascot. **A** = anything is possible for all children of ENSA; **T** = top quality instruction for every child; **O** = opportunities for academic excellence, and **M** = math and science magnet and Michelin is our partner in the Excellence in Education program. Look for him on our school's webpage. He will remind your children to work hard to achieve greatness.

AFTER SCHOOL PROGRAM

If you are interested in afterschool care, pick up a registration form at the main office. The program runs from 2:45 to 5:45 Monday through Friday. The program does not operate on days that students are not in attendance. Students will be provided a healthy snack. There is a one hour study time. During this hour, students can complete homework, read, use the library or computer lab for research. Contact Jennifer Brown, 355- 2915, for more information.

CHANGE OF ADDRESS AND/OR TELEPHONE NUMBER

The school must have the student's current address and phone number **at all times**. This information is especially important in case of emergency. Please notify the **main office** immediately if there is a change of address, telephone number, or emergency contacts. The school will not release unlisted phone numbers.

EARLY DISMISSALS

No Early Dismissals after 2 PM

In order to protect the instructional day, we ask your cooperation in not picking up your child during school hours. Whenever possible, medical and dental appointments should be made after school hours. If a parent must pick up a child from school early, that parent must send a note to the teacher in the morning stating the reason and time for the early dismissal. Please report to the office to sign out your child before 2 PM. The student will be called to the office to meet you. Identification will be required of any adult attempting to pick up a child who has not completed an early dismissal note.

FIRE DRILLS AND OTHER EMERGENCIES

Fire drills are conducted monthly. Exit routes are posted in each classroom and teachers at the beginning of the school year explain procedures. Tornado and other emergency drills are held during the school year. Teachers discuss directions regarding the proper procedures for these drills within each classroom.

INCLEMENT WEATHER/ SCHOOL CLOSING ANNOUNCEMENTS

When bad weather occurs, district administrators will decide if school will open. This decision should be broadcast by 6:30 AM on Greenville area radio and TV stations. If you pick up your child in your car, you are encouraged to listen to the radio during bad weather for any announcement concerning school closings. The school will attempt to send a School Messenger alert call to all phone numbers. Information will be available on the following:

- Bus transportation, 355-5286
- School District Infoline, 355-3100
- School District Website, www.greenville.k12.sc.us

LOST AND FOUND

To help minimize lost articles, **make sure your child's name is on all clothing** items such as jackets, sweaters, coats, scarves, hats, gloves, and lunchboxes. Unclaimed articles are donated at the beginning of each month to community centers.

SIGN IN/SIGN OUT VISITOR POLICY

For security reasons, all parents, visitors, and guests are required to check in at the main office upon entering the building during regular school day hours and **must show photo identification**. A name badge will be printed to indicate if you are a visitor or a volunteer. This procedure allows us to better monitor everyone in our building. Your cooperation is greatly appreciated. If you are coming to pick up your child for an early dismissal, you will need to come to the main office, **with your photo ID**, to sign your child out of school. Your child will then be called to the office to meet you. If possible, please let the teacher know ahead of time whenever your child will be missing class time. This will alert the school to the absence and allow the teacher an opportunity to send schoolwork home with your child. If your child will be returning to school, he/she needs to come into the office to be **checked in** prior to returning to the classroom.

ATTENDANCE REGULATIONS

ATTENDANCE POLICY

Good attendance is required for high academic achievement. When students are absent, a written excuse must be presented on your child's first day back to school. According to SC Compulsory School Attendance Law, accrued student absences, either excused or unexcused or a combination thereof, may not exceed ten (10) days during the school year. All absences after the tenth day must be for medical reasons and must have a medical excuse. All excuses should be submitted within two days of the absence.

The State is now tracking minutes for attendance so documentation of Time In/Time Out for late arrivals and early dismissals is mandatory.

Elementary bell schedules have 390 minutes per day (6.5 hrs.). **A student must attend at least a total of 3 hours or 180 minutes to be counted present for the day. A student can arrive late to school and leave early and still be counted present if they attend at least 3 hours (180 minutes) during the school day.**

LAWFUL ABSENCES

1. Personal illness (includes doctor's appointments) of a child verified by a statement from a physician within two (2) days of the student's return to school. Absences for chronic or extended illness will be approved only when verified by a physician's statement.
2. Serious illness or death of an immediate family member verified by a statement from the parent within two (2) days of the student's return to school.
3. Absences for religious holidays when approved in advance. **Such requests must be made to the principal in writing.**
4. Absences for extreme hardships approved by the principal. **Such approval should be prearranged when possible.**

UNLAWFUL ABSENCES

Any student absence, with or without the knowledge of the parent, which does not meet the conditions for a lawful absence (as stated above) shall be counted as unlawful and will not be excused.

MAKE UP WORK

Within five days of a student's return from an excused absence, the student must work out provisions for making up missed work with the teacher(s). The principal must approve the make-up of work missed during an excused absence after consultation with the teacher(s).

PERFECT ATTENDANCE

Students with perfect attendance will receive awards during PRIDE Awards Assembly. **If a student is tardy more than three times each nine week period, he/she will not be counted as having perfect attendance for the nine weeks.** If a student is tardy more than six times during the school year, he/she will not be counted as having perfect attendance for the year.

TARDIES

School begins at 8 AM. A student who arrives after 8 AM is tardy. If your child is tardy for any reason, **the parent must come into the school and sign him/her in**, giving the reason for the tardy. An intervention conference will be held by our social worker after 4 tardies. If there is a situation where a school bus runs late, these children are not considered tardy.

CURRICULUM AND INSTRUCTION

ASSISTANCE TEAM

Students who are experiencing academic difficulties and are struggling in the classroom are referred to the Assistance Team (A-Team). The A-Team works with the classroom teacher and parents to identify strategies and interventions that can be attempted to help the child experience success. If the attempted interventions are not successful, then due process is started. Due Process procedures include screenings (vision, hearing, speech/language) and possible assessment to determine if a student meets eligibility requirements for additional services.

CURRICULUM

East North Street Academy provides a curriculum that is designed to meet the needs of all students. South Carolina State Standards in Language Arts/Reading, Mathematics, Science, Social Studies, Art, Music, Physical Education and Technology are taken into consideration as teachers plan units and lessons for their students. Our magnet themes of mathematics and science are fully implemented into all areas of the curriculum. These Learner Standards can be accessed on our school's web page. Enrichment and acceleration are provided in all classrooms and by special classes for those students who qualify.

ELEMENTARY GRADING – K5 THROUGH FIFTH GRADE

Teachers in grades 2 through 5 will use numerical grades, according to the state's Uniform Grading Policy, to communicate student progress in all subject areas with the exception of elementary Related Arts and elementary Penmanship. Kindergarten and First Grade students will receive a Skills Report each nine weeks.

Definitions of grades given for participation in elementary Related Arts:

E = Quality Achievement of Standards, M = Meets Standards, P = Progressing Towards Standards, L = Little or No Progression towards Standards.

Students are graded with the following standardized scale:

A = 100 – 90

B = 90 – 80

C = 80 – 70

D = 70 – 60

F = 60 or below

FIELD TRIPS

Field Trip!

Field trips are considered an extension of the classroom and instructional program. The school requires written permission from the parent/legal guardian before a child is permitted to go on a field trip. A signed permission form with insurance information is required. If the child does not have insurance, an uninsured form must be completed. Transportation will be by bus. Each child is expected to pay a fee to cover expenses.

If there is a monetary reason keeping a child from participating in a field trip, please call your child's teacher and/or the principal to discuss alternatives that would make the field trip possible for your child. Charges for trips are determined by the number of students going and once individual fees are set the school **cannot** refund the fees. **All chaperones are required to have a background check completed before they are permitted to go on the field trip. This background check can be completed up to 7 days before the field trip and will be completed by the front office. Chaperones must complete the entire Volunteer 2 process before being allowed on the field trip.**

HOMEWORK

Homework assignments are an extension of classroom instruction and should be challenging and meaningful. Students will bring homework folders home on **Monday afternoons**. Homework for each subject will be written out legibly or computer generated. The assignments will be complete with instructions and materials needed. All tests and assessments will be noted with dates, study sheets, and expectations for grading attached. Homework should be returned daily. Please be certain that the homework folder and work is in your child's book bag to return to the teacher before he/she leaves home. It is your child's responsibility to return it to the teacher. If homework is not returned, teachers will notify parents. If your child is having trouble bringing assignments and books home or is unable to do the homework independently, contact the teacher immediately.

Homework Guidelines

Grade 1-2	No more than 30 minutes
Grade 3	No more than 1 hour
Grade 4-5	No more than 1 to 1 ½ hours

GIFTED AND TALENTED PROGRAM

The school district provides a program for gifted and talented students to challenge them with rigorous, complex classwork, and research. Students qualify to participate in this program based on state criteria. It is a pullout program which third grade students attend 125 minutes per week and students in grades four and five attend for 200 minutes per week.

MEDIA CENTER (LIBRARY)

The media center is open from 7:45 AM to 2:30 PM daily. It is open for teachers, students, and parents to use anytime within these hours. Kindergarten students are allowed to check out one book at a time. First and second grade students may check out two books. Materials can be checked out for two weeks. The media center has a number of items available including teaching materials, books, magazines, books-on-tape, newspapers, pictures, computers and many audiovisual aids. Parents are encouraged to use the media center like the public library. Students are welcome to exchange books or use the media center before and after school and any time their teacher will allow. Classes visit the media center on a regular basis. All students are expected to visit the media center a minimum of once a week to check out books.

MONDAY FOLDERS

Parents will have access to a classroom curriculum update every week which is posted on the teacher's website. Every Monday, a communication folder will come home with each student. These efforts will enable parents to be involved with their child's studies. If any parent does not receive this Monday Communication folder, the parent needs to contact the teacher to determine the problem.

PROMOTION AND RETENTION

The curriculum at East North Street Academy is such that children are able to make continuous progress, regardless of the grade placement. It is recognized that some students benefit from the opportunity to continue in the same grade another year. Certain definite procedures are followed during the retention process. During the first parent conference, parents are informed if the child is not doing grade-level work. By the end of the third reporting period, a teacher should be able to identify a child who may need to be retained and will notify the parents that their child may profit by continuing the same grade another year. Final responsibility for promotion and retention of students rests with the **principal**.

INTERIM PROGRESS REPORTS/REPORT CARDS

Students will receive progress reports and report cards four times a year. If your child does not receive a report card at the end of each nine week period, the school office or teacher should be notified. **A self-addressed, stamped envelope will be furnished by the school at the end of the school year so that final report cards can be mailed.**

SPECIAL SERVICES

Special Education services are available to students who qualify according to SC and federal criteria. Psychological evaluation for admission to the special education resource or self-contained program is provided at no cost to the parent. **If parents feel that their child could benefit from these services, they should contact the teacher or the principal.** The referral process and testing are lengthy and may extend throughout the school year.

TEXTBOOKS

SC provides free textbooks for all students in elementary school. If a textbook is lost or damaged by a student, he/she must pay the assessed amount. A letter will be sent home with the student by the textbook coordinator.

USE OF TECHNOLOGY RESOURCES

The School District of Greenville County has developed a computer network that connects all schools to each other, the District Office, and the Internet. "Acceptable Use" of this network is use that is consistent with the instructional goals of the District. The District takes precautions by using filtering software to keep inappropriate internet sites out of the classroom.

Electronic teaching and learning tools and online access are designed to support student education. If a student breaks "acceptable use" rules, the student may lose the privilege to use both classroom computers and/or the internet. Further disciplinary and/or legal action may be taken at the discretion of school administration.

- Treat computer equipment with care and respect.
- Any written text, graphics or executable files created, downloaded, displayed, or exchanged with another student or teacher must be education-related and not offensive in any way.
- Do not use school computers for illegal activities such as planting viruses or hacking.
- Do not use school computers for commercial purposes.
- Follow copyright laws at all times.
- Keep your password secret.

POLICIES AND REGULATIONS

ARTICLES PROHIBITED IN SCHOOL

Anything that might be a hazard to the safety of other children or interfere in any way with school procedures may not be brought to school, such items as toys, valuables (cell phones, paging devices, MP3 players, large sums of money, etc.) guns, caps for guns, bean shooters, knives, blades, matches, lighters, cigarettes, pornographic material, non-prescription drugs or pills, and alcoholic beverages are not permitted and will be taken away from the students. Any abuse of this policy will be dealt with according to school district policy.

DISCIPLINE CODE

The discipline code for all Greenville County schools states, "All students will be required to conduct themselves at all times in a manner that will be in the best interest of the school and its students. Every reasonable effort will be made to keep students within the school's sphere of influence, using suspension and/or expulsion only as a last resort." The types of disciplinary action are outlines in the Discipline Code which is found on the district's website at:

<http://www.greenville.k12.sc.us/gcsd/depts/admin/policy/code2.asp>.

Behaving appropriately is an essential aspect of learning. Without a disciplined atmosphere, the teacher cannot teach effectively and the learner cannot learn. Using PBIS (Positive Behavioral Interventions and Supports), this system is designed to teach the desired behavior through positive interventions rather than using punishment as a single approach. The interventions are designed to teach the student how to respond to difficult situations, as well as supporting appropriate student behaviors. The behavior plan is administered and practiced throughout the school. Our goal is to make universal rules that will be followed by everyone. By doing this, students know exactly what to expect and how to act when in another teacher's classroom or in related arts. Students will know the consequences at all times.

East North Street's Universal Code of Excellence

On my honor, I will show others the respect I would like in return. My behavior will be a good example to follow. I will do my best each day and help others when I can. I promise to obey the East North Street Academy High Five Rules for Excellence.

Posted in every classroom, this pledge is recited by students each morning before announcements.

Students also sign this as a Behavioral Contract at the beginning of the year.

4. At the end of year, parents are responsible for picking up any remaining medications. Medications not picked up will be discarded.

Parents are contacted if the student has a fever of 100 degrees or more. Every effort should be made to keep sick children at home.

Students should be fever-free for 24 hours without medication before returning to school after an illness.

INSURANCE

Information about dental and accidental insurance is provided for all students at the beginning of the school year. While the carrying of insurance is optional, purchase is strongly recommended to help with expenses in the case of an unavoidable accident.

SMOKING POLICY

The school board has established No Smoking Policy in all schools in the district. This policy prohibits the use of any tobacco products in the school or on the school grounds.

SPEECH, HEARING AND VISION TESTING

Screening programs for vision, speech and hearing are provided at school. Speech and hearing testing and therapy are available to child with special needs. Any child may be tested if requested by the parent or teacher. The parent/legal guardian will be notified if any problem is detected.

PARENT INVOLVEMENT

PARENT TEACHER ASSOCIATION (PTA)

East North Street Academy has an established Parent Teacher Association to provide vital financial and personal support to the total school program. All persons who are interested in the welfare of East North Street Academy and its students are invited to join the PTA and become actively involved in supporting our PTA activities. PTA membership dues are \$5 each year and membership cards are issued. Parents, other family members and friends are urged to join. **PTA meetings are held the second Monday night of every month.** Meetings begin at 6 PM. If served, supper begins 5:15 PM.

A valuable "special resource" for the school is the PTA Volunteer, who supplements and complements the work of the classroom teacher. A volunteer is considered an extra pair of hands and sometimes a bridge between the school and community. The different areas of volunteer work are library aides, SEEDS, room mothers, office aides, Book Fair workers, Magnet Mania Carnival, and tutors. Get involved as a volunteer. There is a special place that only you can fill.

SCHOOL IMPROVEMENT COUNCIL (SIC)

The council is composed of parents, teachers, and members of the community. The principal serves as an ex-officio member. Meetings are held monthly. All parents are welcome to submit suggestions to our administration, any teacher, PTA officer, or an SIC member. The main purposes of the council are: to gain knowledge concerning the purpose and goals of the school, to disseminate information to other parents and citizens within the community, and to clarify information concerning the school program. **The SIC meets the 1st Tuesday of each month at 8:15 a.m.**

TRANSPORTATION

BUSES

Greenville County School District provides bus transportation to all students who live **more than 1.5 miles** from the school. The bus driver is in full charge of pupils and the bus. His/her relationship with the pupils will be on the same plane as that expected of a teacher. The students must adhere to rules on the bus. Failure to do so may result in a referral from the bus driver. Safety is the school's biggest concern and the rules are set forth on the bus to provide the safest environment for the children and the bus driver.

CAR RIDER DISMISSAL

Our goal is to provide safe pick up and drop off procedures for the students while maintaining an orderly flow to minimize the length of time of heavy traffic in the morning and afternoon. **Car riders** are assigned a number. Every family needs a number if they ever pick up their child. This number should be in the car window whenever you or another authorized person pick up your child. All car riders will remain in their classrooms at dismissal time. Car numbers will be called in to the media center where a teacher will type the numbers onto a computer screen that is displayed on all classroom TVs. It is extremely important for students to know the car number and to be paying attention to the TV at dismissal. If your child does not come out, the parent will be directed to pull over and park as we recall your child's car number. An adult will walk that student out to the parking lot.

IMPORTANT PARENT INFORMATION

Reporting Bullying, Discrimination, Harassment and Intimidation

The District is committed to fostering an environment that both promotes learning and prevents disruptions to the educational process. Accordingly, the District prohibits all forms of bullying, discrimination, harassment, or intimidation. As provided in Board Policy and Administrative Rule JCDAG, students and parents may file a report of bullying, discrimination, harassment, intimidation, or misconduct by other students, employees of the District, or third parties involved in the school setting.

All reports should be filed with the principal or his or her designee. Reports may also be filed by a student's parent. If the allegation is against the school's administration, the student or parent should file a report directly with the District's Parent Resource Representative. (See Policy JA for contact information). Anonymous reports may be made, but those reports must provide the District with adequate information in order to begin an investigation.

Additionally, students and parents should immediately report any concerns related to employee interactions with students that are inconsistent with the requirements and expectations contained in Board Policy GBV. Concerns that should be immediately reported to a school's administration include potential mistreatment of students and other conduct by employees that could constitute inappropriate interaction or communication, including those sexual in nature.

Investigations and Consequences

Reports will be investigated promptly, thoroughly, and confidentially. The investigation shall include appropriate steps to determine what occurred and to take actions designed to end the harassment, intimidation, or bullying, and prevent such misconduct from reoccurring. The student and his/her parent shall be informed of the results of the investigation and shall be advised how to report any subsequent issues. Any discipline of students or staff shall remain confidential.

If the investigation determines that inappropriate conduct has occurred, the administration shall take reasonable, timely, age-appropriate, and effective corrective action. Examples of corrective action include, but are not limited to, disciplinary action against the aggressor, up to and including termination of an employee or expulsion of a student. The District prohibits retaliation or reprisal in any form against a student or employee who has filed a report. The District also prohibits any person from falsely accusing another person.

Appeals

Notification of the outcome of the investigation will be issued in writing to the complainant and the complainant will be informed of the right to appeal. An appeal related to disability discrimination or harassment should be made to the District's 504 Coordinator. An appeal regarding color, race, or national origin should be made to the District's Title VI Coordinator. An appeal regarding sexual harassment, sexual misconduct, or gender discrimination should be made to the District's Title IX Coordinator. (See Policy JA for contact information). A complainant may then appeal the decision of the coordinator to the Superintendent or his or her designee.

A complete copy of the District's Policy, Administrative Rule, and report form referenced above can be located at <http://www.boarddocs.com/sc/greenville/Board.nsf/Public#>. You may also receive a copy of Policy JCDAG, Administrative Rule JCDAG, or the report form from your school upon request.

Student Speakers at School-Sponsored Activities

The School District of Greenville County is committed to maintaining an educational environment in which students of all backgrounds, beliefs and religions are welcome and treated with equal dignity and respect. The District will neither advance nor inhibit religion. In accord with the United States Constitution, the District protects private expression, including religious expression, by individual students as long as that expression does not create a disruption to or interfere with the educational environment. Student speakers at school-sponsored activities, including graduations, may not be selected on a basis that either favors or disfavors religious speech. Where student speakers are selected on the basis of genuinely neutral, evenhanded criteria and retain primary control over the content of their expression, that expression is not attributable to the school and therefore may not be restricted because of its religious or secular content. In contrast, where school officials determine or substantially control the content of what is expressed, such speech is attributable to the school and may not include prayer or religious content. A school, however, may prevent or remove a speaker if the content of their speech is obscene, contrary to the District's behavior code or substantially disruptive to the school environment.

Family Educational Rights and Privacy Act (FERPA) Notification of Rights Under FERPA For Elementary And Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records.

These rights are:

1. The right to inspect and review the student's education records within 45 days of the day the school receives a written request for access. Parents or eligible students should submit to the school principal [or appropriate school official] a request that identifies the record(s) they wish to inspect. The school official will make arrangements for access and will notify the parent or eligible student of the time and place where the records may be inspected. School officials will assist parents or eligible students with the interpretation of records if needed. In addition, a parent or eligible student may receive copies of educational records if circumstances exist that prevent the inspection of records.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading. Parents or eligible students may ask the school to amend a record that they believe is inaccurate or misleading. They should write the school principal [or appropriate official], clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school or district as an administrator, supervisor, instructor, or support staff member (including health or medical staff); a person serving on the school board; a person or company with whom the school has contracted to perform a special task (such as an attorney, 3rd party on-line educational services, auditor, law enforcement official, medical consultant, therapist, counselor, or student teacher) when the School District retains direct control of the use and maintenance of educational records and the company/person is subject to FERPA's disclosure provisions; or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility. Upon request, the school discloses education records without consent to officials of another school's district or institution in which a student seeks or intends to enroll, or is already enrolled so long as the disclosure is for the purposes related to the student's enrollment or transfer.

STUDENT DIRECTORY INFORMATION ANNUAL NOTICE TO PARENTS AND GUARDIANS

The Family Educational Rights and Privacy Act ("FERPA"), a federal law, requires that the School District of Greenville County ("District"), with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records.

However, the District may disclose designated "directory information" about your child without your written consent UNLESS you have advised the District to the contrary in accordance with District procedures. The District has designated the following information as "directory information":

- A. student's name
- B. school
- C. participation in recognized activities and sports
- D. weight and height of members of athletic teams
- E. degrees, honors, and awards received
- F. dates of enrollment
- G. grade level
- H. photographs and videotape of students participating in District and/or school events (excludes District surveillance and bus video)

The primary purpose of directory information is to allow your child's school and/or the District to include this information about your child in school publications. Examples of such uses include: a program showing your student's role in a drama production, yearbook, honor roll or other recognition list, graduation programs, and sports activity sheets and rosters, newsletters, school and District websites or social media sites, newspaper articles, as well as television and radio broadcasts. In addition, directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can be released to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks.

Also, two federal laws require school districts to provide military recruiters and institutions of higher education, upon request, with three directory information categories – high school students' names, addresses, and telephone listings – unless parents have advised the school that they do not want their child's information disclosed without prior written consent.

If you do NOT want The School District of Greenville County to disclose directory information from your child's education records without your prior written consent, you must either 1) notify your child's school in writing or 2) complete an opt-out form located at the student's school within 14 days of receiving this handbook. Only a parent/legal guardian or eligible student (18 years of age or older) can choose not to have directory information released.

Please note that you must notify your school EACH year if you do NOT want directory information released. You cannot choose what student directory information to release. However, you can specifically choose to exclude military recruiters and institutions of higher education from receiving a student's directory information.

Estas organizaciones incluyen, pero no se limiten, a compañías que fabrican anillos de grado o publican libros anuales de las escuelas. También, dos leyes federales exigen que los distritos escolares provean a instituciones militares e universitarias, si la piden, tres categorías de información – listas de estudiantes, con direcciones de domicilio y teléfonos – a menos que los padres hayan avisado al personal de la escuela con anticipación que no quieren que revele información sin aviso previo. Si usted NO desea que El Distrito Escolar del Condado de Greenville se haga público información sobre su hijo(a) sin su autorización previa, debe 1) presentar una solicitud por escrito al personal de la escuela de su hijo(a) o 2) llenar el formulario “opt out” que se puede conseguir en la escuela de su alumno(a) durante los 14 días de recibir este directorio. Solo el padre/representante legal o unestudiante mayor de 18 años puede optar por no permitir la diseminación de información designada como “información del directorio”. CADA año el padre/representante debe informar al personal de la escuela que NO desea la diseminación de información designada como « información del directorio ».
