

Come Tour with us and receive a free STEAM project! The Hughes Academy Jelly Bean Engineering Challenge 2021

CHALLENGE - Create one or two famous structures (Eiffel Tower, Golden Gate Bridge, Hughes Academy etc..) with the supplies provided! You decide on the structure(s). Please label the structure(s) clearly.

When you are finished, take a picture of your structure(s). Send the picture to our Magnet Coordinator, Mrs. Marsha Patry, at mpaty@greenville.k12.sc.us before 12/3/21. Our community will vote on the best structure on 12/10/21 on Facebook. The winner will be announced on 12/15/21 and will receive a Hughes lunch bag, t shirt, and cup! We can't wait to see the GREAT EXPRESSIONS of CREATIVITY our future 6th graders display!
