# Fountain Inn High

Creating pathways to *the future* for *all students*.

## Fountain Inn High will:

**Provide students** with **new challenges** and **opportunities** that **go above and beyond** the standard high school curriculum,

**Connect students** to their **community** through **job shadowing, service, mentoring, internships,** and **apprenticeships,**

**Prepare students** to be college, career, and citizenship ready by offering **pathways** to certifications, Associate's and Bachelor's degrees through partnerships with upstate colleges and universities.
