The Inn Place to Learn

Fountain Inn Elementary has established itself as a Professional Learning Community where teachers regularly engage in collaboration for teaching and planning. We are seeking to consistently build a community of successful learners.

At FIE, we believe that “we are all on one T.E.A.M.” We: **T**reat others with respect. **E**ncourage others to do their best. **A**ccept Responsibility **M**ake good choices. We look for ways to celebrate and empower our students to become productive citizens.

Our students are positively impacting our community. Opportunities such as safety patrol, the FIE News team, Junior Beta Club, and Student Council are some of the opportunities we offer our students as a means of serving others inside and outside of our school. We truly believe that all of our stakeholders have an investment in our success.
