

Parent/Teacher Fall Conferences

2025-2026

When will Fall Conferences be held?

Gateway Teachers will be scheduling fall conferences with parents/guardians between September 29-October 13, 2025. Teachers have flexibility in creating a schedule that works best for them and students' families.

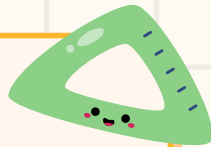

How Long should I plan to be there?

Teachers will be scheduling conferences to last for approximately 20-30 minutes. Please make sure that you are on time for your scheduled conference. This helps to ensure that all scheduled conferences flow smoothly.

What Will We Discuss?

Topics that may be discussed could include:

- Beginning of the year data from assessments
- Academic progress
- Behavior & work ethic
- Student's strengths
- Challenges to be aware of
- Suggestions of at-home activities to support your student

Conference Format

The ideal fall conference would be scheduled and held in-person. If this is a major issue, please let your child's teacher know as he/she can offer a virtual option as well. Phone conferences can occur as a last resort to accommodate schedules.

Thank you for making fall conferences a priority for your family. These are a great way to create a strong connection between home and school!

Please reach out to the front office if you have any questions!
