

Climbing Wall Fun Run!

Dear Parents,

We are excited to announce that with our dances and pajama day we have raised \$5075.99 toward our climbing wall! As an exciting way to raise funds, we will have a “Fun Run” on Thursday, March 29. Our goal is to raise \$7,000 from the “Fun Run” for our climbing wall, which will provide a work-out that builds confidence in students as it challenges problem-solving as well as coordination and balance. Students will ask for supporters to sponsor them in their run. Students will run a maximum of 30 laps. As students get pledges, they may write their name on the climbing wall bulletin board. Thank you for helping with this very special project!
