

Attendance: Susan Stublely, Janet Calvage, Katie Dell'Oso, Reagan Watson, Amy Clark, Vanessa Simmons, Mike Geran

**Principal:**

- Registration numbers are low for kindergarten and 1<sup>st</sup> grade. Remind new neighbors or friends to register their children if they are school-age. We would like registration to be completed so that upcoming info can be given to parents.
- Chromebooks – all but about 40 have been purchased. As of now every student except for K4 will be one-to-one. We will continue to raise money for Chromebooks.
- Our focus is on the rock climbing wall right now. Mrs. Duncan has had multiple fundraisers and is getting very close. \$5075.99 had been raised thus far. The installation will have to be from a professional, this has made the cost go up.

**Instructional Coach:**

- School visits went great! (Monarch Elementary, East North Street, Calhoun Elementary, Stone Academy, Woodruff Elementary, and Fisher Middle)
- Test data was looked over in order to determine which schools would be visited. All teachers were able to attend a school visit.
- Google Slides were put together to share information from the visits.
- Accelerated Reader is not being used by all accounts purchased. This money could be used for other purposes. Other free programs are offered online for reading and/or quizzes.
- IXL is a computer based program that is standards based. Students are able to work on their independent level then take a quiz at the end. All subjects are available for purchase. IXL allows 10 free questions a day. Mrs. Dell'Oso is checking on pricing for this program. It may be able to replace AR for the same amount of money.
- Math Stretches Workbooks were purchased to help teachers teach math with spiral reviews.
- Math Work-Stations workbooks were purchase for teachers to use for ideas when setting up math-small groups.
- Jessica Morton will be here on Wednesday to share with teachers how to incorporate STEM into lessons.
- March Madness Tournament of Books is underway and voting is taking place.

**Assistant Principal:**

- SC Ready Testing Workshop is next week and we will find out the dates for testing.
- SC Ready Testing is for grades 3<sup>rd</sup>-5<sup>th</sup>
- Testing will most likely be in early May
- Results for 3<sup>rd</sup> Grade should arrive before the end of the year
- PEP Book Fair will be here again. Students will have an opportunity to pick our 10 books on their reading level. PEP will package the books together and deliver them to the school. Volunteers will be needed to help pass out books to students.
