

**GCS VIRTUAL  
SCHOOL PROGRAM**  
*Rising 7th-12th Grade*

**GREENVILLE COUNTY  
SCHOOLS**

**SUMMER TERM 2026**

## FORMAT

GCVSP Summer Term courses are online and require a school-issued chromebook and internet access.

**Courses are asynchronous.** Students can work on assignments throughout the week but must meet the weekly deadlines. Google meet help sessions are available weekly with the instructor.

Course work is pushed out two weeks at a time in the summer so that students can work ahead if they know that they are going to be on vacation or not have internet access.

Note that access to GCS APPs is not available outside of the contiguous United states, so families should consider accessibility when planning trips and/or registering for courses. Family vacations, Camps, Mission trips and school-related field trips **will not be considered excused absences.**

**ONLY actively enrolled GCS Students** may register for courses to get ahead (*initial credit*) or for courses they have already taken and wish to earn a higher grade (*repeating credit*).

## DIGITAL APPLICATION PROCESS

To apply for Summer term, students should complete a digital application which they can get from their school counselor at the school where they are currently enrolled.

Students **do not apply** through BackPack.

Students and parents should visit the GCVSP website, [gcvirtual.com](https://gcvirtual.com), and click on the registration button. This link will take you to the “Quick Step Guide” for instructions on how to register.
