

GREENVILLE MIDDLE
ACADEMY OF
TRADITIONAL &
GLOBAL STUDIES

OUR MISSION

The mission of Greenville Middle Academy is to collaborate with home and community to provide diverse, academically challenging, educational experiences to prepare emerging adolescents to become self-directed, confident, lifelong learners in a changing technological world and to become productive participants in our democratic society.

"Andrea has had an amazing year and overall we have had an incredible experience that was better than we expected! I felt like she learned so much and came home enthusiastic to complete assignments. The electives she chose turned out great! She loved Global Studies, Media Lit, and GTT. She learned many new things and shared them with us regularly."

Parent of a 6th grade student
