

Friends of the Ram

Support the PTA and Staff of Greenville Middle Academy

First of all, let us say: Thank you. Thank you for your tireless support of your child at Greenville Middle Academy. Through fundraisers, parent-teacher meetings, school sports, after-school activities, and everything else that happens during a school year, you have shown your commitment to giving your child the best possible education.

This past school year was unprecedented and the need for funds is greater now more than ever. With your generous support, these funds are used to purchase technology, assist with school improvements and beautification, and provide funding that our teachers put to work in their classrooms. Parent and community involvement are essential to “raising the bar” in education, and we hope you will contribute to make a difference for our students.

Anyone who is interested in improving a child’s education and future is encouraged to become Friends of the Ram. Remember to also check with your employer about donation matching: many employers offer donation match programs. Friends of the Ram contributions are tax deductible. Greenville Middle PTA 501(c)(3).

Thank you for your Support!
