Greenville Middle Academy Celebrate Summer Reading 2023

Even though school's ending for summer break, doesn't mean reading needs to end as well! Extensive research shows that young adults who continue to read during the summer maintain or improve their reading skills and perform better when school resumes. Greenville Middle Academy 6th, 7th, and 8th grade students are encouraged to select the books they want to read, histories, mysteries, sports, and graphic novels. Or listen to audiobooks or podcasts. eBooks and audiobooks are free through the Sora app with your school username and password. The link to GCSD Sora library is found at the bottom of our school webpage.

DIRECTIONS: Students should choose books at their interest and reading levels.

1. Students must record titles and authors on our Celebrate Summer Reading form.
2. Include four sentences about your favorite book read this summer.
3. Students **MUST** have a parent/guardian signature to verify the books read.

Completed Celebrate Summer Reading! forms must be turned in to Mrs. Carey in the Media Center by Friday, August 25, 2023.
