Principal's Den, Mrs. Tsambounieris

I continue to be thankful and appreciative of our wonderful Hollis families. It was wonderful to see so many of our families during our STEAM night last month. The family interactions with our teachers and staff were heartwarming to see. Our students had a great time engaging with their family members and learning at the same time. We look forward to more family events over the next few weeks.

I would also like to send a special thank you to all of our parents that have volunteered to help with the PBIS School Store. Children love to see their family in school, and we enjoy having them. If you are interested in volunteering in any capacity, please feel free to reach out to our parent coordinator, Maria Soriano, at 355-4883. Please also note that Facebook is a great place to keep up to date with everything that is going on at Hollis. We are constantly sharing pictures and celebrations. Please be sure to follow us on Facebook at www.facebook.com/hollisacademy/. Please also be sure to look for an important letter that will be coming home this week regarding SCReady testing in grades 3-5 that will take place in April and May. Along with important information about the test and testing dates, you will find important resources for helping to prepare your student for testing, including links to practice tests. If you have any questions, or need additional support, please feel free to reach out to your child's teacher or myself for support.
