## Principal's Den, Mrs. Tsambounieris

May is an exciting month filled with many fun activities to look forward to. We start the month with the music showcase, followed by our annual school carnival, field days, awards program, and everything in between. Along with the fun activities and celebrations, our 3<sup>rd</sup>-5<sup>th</sup> grade students will have the opportunity to demonstrate their learning as they take the SC Ready assessment this month. All testing dates and events are noted on the left. A detailed schedule of all testing can be found below. Please help to ensure that your scholar does their absolute best on this test. You can help by making sure that your students are well rested, have a healthy balanced breakfast, and are in school on time. Remember, we offer breakfast to all students every morning, and the school doors open at 7:00 a.m. Students that are present, on time, and do their best on their tests will earn raffle tickets and have the chance to win many fun prizes. We plan on kicking off testing with a school-wide parade on May 3<sup>rd</sup> and wish all of our 3<sup>rd</sup> graders the best of luck as they begin their testing this week.

I encourage all parents to join us for the musical showcase, 5K program, 5<sup>th</sup> grade day, and end of the year awards program. We look forward to celebrating our students and wrapping up the year together.
