I. ACADEMICS

Grading Policy:

Students will receive numeric grades for all subjects using the grading scale below:

A	90-100
B	80-89
C	70-79
D	60-69
F	59 and below

Progress Reports: Progress reports will no longer be stored and printed. Please refer to the Parent Backpack for the most updated version of your scholar's grades.

Report Cards will be sent to parents at the end of each nine week period.

Report Card Dates: Oct. 30, Jan. 24, March 27, and June 8.

Promotion and Retention: Students who do not pass all required academic subjects (English/Language Arts, Math, Science and Social Studies) or who miss more than ten unexcused days of school, may be required to take one or two courses in summer school to meet promotion requirements or retake the class the following school year.

Homework: Homework may be assigned daily in academic subjects. It may be assigned to review and strengthen class work or to help students learn how to study independently. Some assignments may be spread out over a longer period of time so that students can show they are able to gather and present information.

Homework and daily assignments will be posted on websites and/or Google Classroom for access by both students and parents.

Make-up Work: When a student is absent, school policy allows five days after returning to school to complete make-up work. Students are responsible for contacting each teacher for missed work. The request should be made immediately upon returning to school. A parent may request make-up work for extended absences. This request should include student locker

number and locker combination. Make-up work may be accessed online, provided via email or picked up in the front office after making arrangements with school staff.

Late Work Policy:

Students are expected to follow classroom rules and complete assignments during the allotted class period. Any student off-task and not completing classroom assignments will receive a disciplinary infraction. However, if a student misplaces an assignment or needs to hand in any work after the assigned due date, then they will need to adhere to the following late work policies.

- 6th Grade: 10 days
- 7th Grade: 5 days and will be penalized no more than ten points.
- 8th Grade: 2 days and will be penalized no more than ten points.

Cheating or Plagiarism:

The School District of Greenville County expects students to maintain integrity in all school work and refrain from any action that would bring dishonor to them or their school. Copying the work of others and submitting it as one's own or securing or providing answers in a dishonest way is forbidden. Plagiarism from the Internet is included in this offense.

Consequences:

- Parent notification is required.
- The student will be counseled by the teacher or other school personnel.
- Additional disciplinary actions may be applied.
- Student may be required to repeat the assignment.

Protocol for testing:

The following items will be at the discretion of the teacher/proctor. Disciplinary action may include academic action (test re-take) and/or disciplinary actions (including in-school or out-of-school suspension):

- Both of the student's hands are to be visible at all times during the exam/testing.
- Students are to face the front of the room during the exam/testing time.
- Students are not to communicate with anyone verbally or non-verbally during the exam/testing period.

- If a student needs something from their pocket, purse or backpack, then they must first obtain permission from the teacher or proctor.
- The student may not leave their seat or the room without permission from the teacher or proctor.
- Only the items required for the exam/testing should be visible on the desk.
- When the student has finished the exam/test, the student may ask permission to obtain reading material, put their head down, or remain quiet.

- Loaning of student device to other students inside and outside of school.
- Multiple damage instances caused by lack of care for the Chromebook and other peripheral devices.

Chromebook Technology Fee:

Students will be charged a \$25 technology fee to help cover the cost of one cracked screen repair and an additional minor repair (cracked hinge covering or a non-functioning touchpad). Students who qualify for reduced lunch will have a reduced technology fee of \$15 and a \$5 fee will be charged for students qualifying for free lunch. One accidental damage or one screen repair is covered by the yearly technology fee. Any additional repairs per year are not covered. Students will be required to pay for additional damages. A new Chromebook will not be issued unless the charge of the repair or the full price of the Chromebook is paid. Please note accidental damage also does not cover the replacement for a lost or missing Chromebook or Chromebook charger.

Chromebooks: Each student will be issued a Chromebook provided by Greenville County Schools. The Chromebooks are permitted to go home with students for educational use. However, they will be responsible for maintaining their good condition and returning the Chromebooks at the end of the school year. Students will also be responsible for ensuring their Chromebook is charged for school each day.

Misuse of Chromebooks has the potential to earn disciplinary consequences such as, but not limited to, lunch detentions, In-School Suspensions, and Out-of-School Suspensions as well as loss of Chromebook privileges. Examples of conduct warranting disciplinary action include, but are not limited to the following:

- Downloading unapproved apps that are not in Self-Service without receiving permission.
- Leaving Chromebook unattended.
- Removal of student ID from Chromebook case.
- Deleting school installed settings from a Chromebook.
- Lack of adequate care for Chromebook, case, charger, etc.
- Resetting Chromebook to factory defaults.
- Placing the Chromebook in developer mode.
- Adjusting settings on someone else's Chromebook.
- Adding a credit card to a Google Account (Google Wallet) to purchase music/unapproved apps.
- Logging in under personal Google account to download purchased apps for yourself or another student(s).
- Leaving Chromebook at home. Lack of preparation for classes.

Textbooks: Each classroom will be issued a set of textbooks provided by the state of South Carolina. These books are to stay in the classroom for student use. Students may be issued individual books by their administrator if needed. However, they will be responsible for maintaining their good condition and returning the books at the end of the school year.

Lost or damaged books (beyond normal wear and tear) will be the responsibility of the student and replacement will be expected. Price is subject to change annually based on specific book titles and years in publication. The school will refund students for found textbooks provided they have the receipt.

II. ATHLETICS

Students in the seventh and eighth grades must meet the following requirements to participate in Middle School sports. Students in the 6th grade may not participate, try-out, or attend conditioning at any level until after they have completed the 6th grade. Students must meet the following requirements to play on an athletics team.

1. Athletes must follow the same guidelines that School Club Members follow as well as the guidelines below. Please see School Club Guidelines on page 15 for more information.
2. If a student is suspended due to behavior, they may not participate in any practice, games, or contests during the duration of their suspension. The participants may return to participation in any activity only after being readmitted to school and attending school for one day. Offenses that lead to OSS may also warrant punishment under this code of conduct for extracurricular activities.
3. Students must meet all criteria set by Greenville County Schools and the South Carolina High School League.
4. Students may not participate in middle school sports if he/she becomes 15 before July 1.
5. Students must have a current physical form on file dated on or after April 1, 2019.
6. Students must pay all required athletic fees.
7. Students must have transportation to and from practices.
8. Students must be in attendance at least one-half of the instructional day to play in a game or attend practice unless a doctor's note is presented.

- Bus riders will receive a “Late Bus” pass and will have four minutes from the time on the pass to get to their first class.
- Car riders will receive an “unexcused” or “excused” tardy pass. Unexcused tardies may result in disciplinary actions.

Attendance

- In South Carolina, all children are required to attend a public or private school or kindergarten beginning at age five (5) and continuing until their 17th birthday. If a child is not six (6) years of age on or before the first day of September in a particular school year, parents/guardians may choose not to send their children to kindergarten; however, they must sign a waiver which may be obtained at the local school.
- In accordance with the South Carolina Compulsory School Attendance Law, the School District of Greenville County has adopted uniform rules to ensure that students attend school regularly. Each day that students are not in school, they miss hours of valuable instruction and opportunities for learning that they will not have again. Students are counted present only when they are actually in school, on homebound instruction, or are present at an activity authorized by the school principal. A student is considered in attendance when present for at least three (3) hours of the school day.
- Any student who misses school must present a written excuse, signed by his or her parent or legal guardian or a healthcare professional, for all absences within two (2) days of the student's return to school. The written excuse should include the reason for and the date of the absence. If a student fails to bring a valid written excuse to school, his or her absence will be recorded as unlawful. Schools will use the criteria below when deciding whether an absence is lawful or unlawful.

Students may bring athletic equipment to school for sports such as lacrosse, basketball, soccer, softball, and baseball. Students are not to bring or carry any sort of sports balls (basketball, soccer, etc...) in school or on school grounds.

Please visit GCSD's athletic webpage to retrieve more detailed information. <https://greenvilleathletics.planeths.com>

III. ATTENDANCE

Arriving Late to School

- All students arriving in the building after 8:30 A.M. should report to the front office for a tardy pass.

Lawful Absences

A. Absences caused by a student's illness and whose attendance in school would endanger his or her health or the health of others. These absences must be verified by a physician

statement within two (2) days of the student's return to school.

B. Absences due to an illness or death in the student's immediate family verified by a statement from the parent within two (2) days of the student's return to school.

C. Absences due to a recognized holiday of the student's faith when approved in advance. Such requests must be made to the principal in writing.

D. Absences for students whose parents/guardians are experiencing a military deployment, specifically when the parent or legal guardian of a student is an active duty member of the uniformed services and has been called to duty for, is on leave from, or immediately returned from deployment to a combat zone or combat support posting, shall be excused as long as such absences are reasonable in duration as deemed by the principal so that the student can visit with his or her parent or guardian relative to such leave or deployment of the parent or legal guardian.

E. Absences due to activities that are approved in advance by the principal. This would include absences for extreme hardships. Such approval should be pre-arranged when possible.

Unlawful Absences

A. Absences of a student without the knowledge of his or her parents.

B. Absences of a student without acceptable cause with the knowledge of his or her parents.

Approval of Absences in Excess of Ten (10) Days

The school year consists of 180 school days. Students are allowed ten (10) excused absences covered by a parent note each school year. After that point, the absences will only be excused provided that there is a medical excuse provided by a healthcare provider. If a medical excuse is not provided, the absence will be entered as an unexcused/unlawful absence. Please see the [SC Compulsory School Attendance Law](#) where the amount of unexcused/unlawful absences is monitored and therefore a student/parents could face legal action.

Early Dismissals

The student who needs an early dismissal must bring a note written and signed by the parent or guardian to the main office before 1st period. The note must contain the following information: date, name of student to include first and last name, time of dismissal, reason for the dismissal, name of the person picking up the student, telephone number where the parent can be reached for verification and signature of the parent. The parent or guardian will be required to come into the office to sign the early dismissal sheet. Identification will be necessary before the student is permitted to leave. No early dismissals are allowed after 2:45 P.M.

Perfect Attendance Criteria

In order to qualify for 12-Year Perfect Attendance recognition from the South Carolina State Department of Education, a student must not have accumulated **any absences –Excused or Unexcused** since being enrolled in a public school as a first-grade student. A student cannot have had any type of absence including bereavement, medical, court order, etc. during the 12 years of public school attendance. The only exception to this would be a school sponsored Field Trip/College Visit, both of which would be coordinated through the school with prior approval from the Principal. The definition of an absence at a Greenville County Middle School is missing any singular class period a student is enrolled in, or multiple class periods a student is enrolled in, during a school day. Absence in any part of the school day for a minimum of one class period, even if the student was present for other portions of that same school day, by definition excludes a student from being determined to have Perfect Attendance.

IV. DRESSCODE

Students who leave their 7th period classroom before their car is posted will be subject to disciplinary action.

- **Walkers** travelling up Rice Street will exit through the side doors located near the technology wing. Walkers going up DeOyley will exit through the bus door. No student is to be picked up off campus or in front of the building. Only students who have permission in PowerSchool to walk will be permitted to leave campus with walkers.

- If a student is consistently picked-up after 3:45, then the parent will be notified and provided information for the school's extended day program.
- **Messages** will not be delivered to students regarding changes in transportation unless it is an emergency. Parents should remind their child of any change in transportation for that day before arriving at school. Delivering messages to students causes interruptions during instructional time.

There will be no early dismissals after 2:45 p.m. (on the half days of school there will be no dismissals after 12:00 p.m.). Health Room: The health room is merely an emergency station and is not equipped to take care of any serious illness. Students will only be dismissed from school in case of illness from the Health Room. A parent or doctor's note is required upon the return of the child who was dismissed from the Health Room. Students may not contact parents regarding illness using personal cell phones or a classroom phone. If a student becomes ill at school, he/she must go to the Health Room where the nurse will evaluate whether or not that student needs to go home. Parents are to notify the school nurse, in writing, if any health conditions pertinent to the child's wellbeing such as asthma, epilepsy, toxic reactions to bee stings, diabetes, bone and joint problems, etc..

Immunizations: The state requires that each student present the school with a valid South Carolina Certificate of Immunization or Certification of

Exemption. Students who do not have immunization records on file with the school will not be provided a schedule. Please provide the above information to the front office.

Medication: Due to changes in South Carolina policies governing the administration of prescription medication, we will no longer have a 10 day grace period before written physician authorization is required for all prescription medications.

- Parents are required to bring prescription medication to school and provide Form Med-1 before any prescriptions medication may be left at the school
- If your child must self-administer medication at school, Form Med-2 is required before medication is brought to school.
- A parent may provide written authorization for over-the-counter medication to be kept and administered in the health room using Form Med-3.

All Health Services procedures/guidelines and above mentioned forms can be found online at

<http://www.greenville.k12.us/gcsd/depts/stuserv/health.asp>

Inclement Weather: Should inclement weather threaten the normal school schedule, students and parents should tune in to their local television or radio station for announcements about school openings and closings. When weather creates a delayed opening of school, students are to report according to the delayed time.

Locks and Lockers: Lockers are school property and may be inspected at any time. All students will be issued lockers at the beginning of the school year. Locks are the responsibility of the student. There is a \$5.00 fine for locks that are not returned. Students may provide their own locks but must provide administration with the combination (keyed locks are not allowed unless special permission is given). Students should not provide their lock combinations to any other student. Students may not share lockers with other students. Students are required to secure lockers at all times. Coats and bookbags are to remain in the locker during the school day.

Lost and Found: Any articles found on the school grounds should be turned in to the front office. All unclaimed items are donated to a charitable organization at Winter Break and by mid-June. Please see office personnel to gain access to the lost and found.

Media Center: All school rules apply in the media center. The media center is open from 8:00 a.m. to 3:30 p.m. Students may come with their classes or individually with a pass from a teacher.

Books may be checked out for a period of two weeks and may be renewed once for an additional two weeks. Media materials not returned on or before the due date are considered overdue, and a fine of five cents per school day after the due date is charged. Students are responsible for lost media materials.

Pledge of Allegiance: Hughes Academy students will collectively participate in the Pledge of Allegiance and moment of silence. These activities will take place at the beginning of the school day. Any individual who chooses to abstain should remain quiet and respect the rights of others to participate.

Safety Drills are held at regular intervals throughout the school year. Practicing these drills in an orderly fashion promotes safety in case of a real emergency. To ensure safety, remember these basic rules:

- Check instructions in each classroom for emergency procedures (posted near door).
- Move quickly and quietly to designated areas.
- Listen for teacher instruction.
- Misbehavior during a safety drill will result in a disciplinary infraction.

Social Clubs: Students who are members of social clubs, fraternities, sororities, and other non-school sanctioned organizations are not permitted to carry on sales, initiations, or other club activities. Any sort of club-related “hazing” or intimidation is not allowed.

Student Responsibilities: A responsibility is an obligation one has to ensure the rights of all are protected.

All students have the responsibility to:

- Attend school to receive an education daily unless ill or legally excused
 - Schools cannot educate students who do not attend school.
 - South Carolina law requires a student to attend school until his/her 17th birthday.
- Be on time for all classes
 - Students who enter a classroom after a lesson has begun are interfering with the rights of others to learn and study. Punctuality is a habit that students must develop if they are to succeed in the world of work.
- Come to class with necessary materials
 - A teacher should not have to delay instruction because a student has come to class unprepared. This is interfering with the rights of others to learn and study.
- Complete all in-class and homework assignments as well as meet deadlines
 - The full responsibility for student learning does not rest solely with the teacher. Education cannot be effective unless students participate in class and complete the outside assignments.
- Obey school rules and school personnel
 - No one has the right to interfere with the education of others. Rules are designed to allow a school to meet its obligation to educate students.
- Cooperate with school staff
 - Every community depends upon its citizens to uphold the rules by which everyone has agreed to live. Students have the responsibility to provide truthful information when asked by school authorities.
- Respect the people and their property
 - Treat people and their property with respect.
- Respect public property
 - Schools are a community investment and resource for young people. People who damage school property will be held responsible.
- See that school correspondence to parents reaches home

- Education is a partnership between home and school. Students must do their part by not intercepting or destroying progress reports, report cards, attendance information and by delivering home any school correspondence.

- Warning, silent lunch, no outside free time, parent phone calls, parent conferences, In-Class Suspension (ICS), In School Suspension (ISS), Out of School Suspension (OSS) and/or referral to administration.
- For major offenses, an administrative referral may be the first step.

School Telephone: Students are to use the phone in the office for special circumstances only with permission from a member of the Hughes staff. The phone is not for travel arrangements or to retrieve forgotten articles.

Visitors: Visitors must secure administrative approval before being allowed in any part of the building. All visitors, including parents, must report to the office, obtain permission, sign-in, and receive a name tag before reporting to any other area in the school. If you wish to visit a classroom, you must make arrangements, in writing, to the teacher, office clerk and grade level administrator at least 24 hours in advance.

Students who receive a discipline referral while in ISS will receive OSS

Referral: There are many discipline issues that will result in immediate referrals. Examples of these types of offenses include but are not limited to fighting, profanity, disrespect, student removal from class, etc.... A student receiving a referral will see an administrator and appropriate action will be taken. Administrative actions may include: parent conferences, in-school suspension, out-of-school suspension, referral for alternative placement, or recommendation for expulsion.

VI. STUDENT BEHAVIOR

Discipline: Conduct of Students: All students at Hughes Academy will be required to conduct themselves in a manner that will be in the best interest of the school and its students. Improper conduct will not be tolerated.

Suspension and Expulsion: Student conduct that significantly disrupts class work, or involves disobedience will result in a referral. The school district will make every reasonable effort to keep students within the school's sphere of influence. Nevertheless, any student conduct that disrupts class work, brings disorder to the school, or infringes upon the rights or safety of others is a basis for suspension and/or expulsion of students.

At the beginning of the school year, teachers will review Hughes Academy's school discipline program, ROCK (Respect, Order, Communication and Kindness), which promotes positive student behavior while also providing consistency for the teachers and students should a discipline problem arise.

Actions that could lead to suspension or expulsion include but are not limited to the following:

Please see the quarterly ROCK cards located in the back of the agenda as a reference to what steps will be utilized for minor infractions.

Teachers will keep an electronic discipline record on every student. Any infractions will be recorded daily, should a student choose to violate the discipline code. Violations will be handled utilizing any one or several of the following interventions:

- Bomb threat
- Theft
- Profane, vulgar, suggestive, or obscene profane language or gestures
- Gross disobedience or insubordination (this includes refusing to identify yourself or lying about your identity).
- Unauthorized walk-outs, cutting school or class, or being in unauthorized areas of the campus

Prohibited Items:

Electronic devices, including recording devices, radios, CD players, DVD players, TV's, laser pointers, etc. are not to be brought to school. Items such as playing cards of any type (baseball, game, etc.), toys, candy, gum, etc. are also prohibited. Students who are in possession of the items will be subject to disciplinary action.

Students are permitted to possess electronic devices on school property, school buses, and while attending school-sponsored and school-related activities. The use

of electronic devices are restricted to before and after school hours only. Electronic devices must be turned off and out of sight throughout the school hours of 8:15 to 3:15. Students may not use, or have turned on, an electronic device without prior permission of an administrator, as set forth below. "Turned on" includes an electronic device that is activated, set or programmed to ring, vibrate, or otherwise receive a signal or message. A person, who finds a student in possession or use of an electronic device in violation of this policy, must issue a disciplinary action. Students using the electronic devices to video other students/faculty or post photographs of students/faculty without permission may lead to suspension and/or expulsion.

Students are permitted to bring water bottles; however, the bottle must be clear/translucent and the container should only contain water. No other beverages beside water is permitted.

The time period for eligibility for both academics and behavior will follow district grading period dates.

Each club will have an application process that will require teacher recommendations and parent signatures.

After School Club Participants will be required to follow the guidelines listed below:

Offenses that lead to OSS may also warrant punishment under this code of conduct for extracurricular activities.

It is the responsibility of any student in Greenville County to be aware of the code of conduct for the district. A complete list of the behavior code can be found on the GCSD webpage under the School Board link:

District's Discipline Code: www.greenville.k12.sc.us

Reporting Bullying, Discrimination, Harassment, Intimidation and Misconduct

The District is committed to fostering an environment that both promotes learning and prevents disruptions to the educational process. Accordingly, the District prohibits all forms of bullying, discrimination, harassment, or intimidation. As provided in Board Policy and Administrative Rule JCDAG, students and parents may file a report of bullying, discrimination, harassment, intimidation, or misconduct by other students, employees of the District, or third parties involved in the school setting.

All reports should be filed with the principal or his or her designee. Reports may also be filed by a student's parent. If the allegation is against the school's administration, the student or parent should file a report directly with the District's Parent Resource Representative. (See Policy JA for contact information). Anonymous reports may be made, but those reports must provide the District with adequate information in order to begin an investigation.

Additionally, students and parents should immediately report any concerns related to employee interactions with students that are inconsistent with the requirements and expectations contained in Board Policy GBV. Concerns that should be immediately reported to a school's administration include potential mistreatment of students and other conduct by employees that could constitute inappropriate interaction or communication, including those sexual in nature.

Investigations and Consequences

Reports will be investigated promptly, thoroughly, and confidentially. The investigation shall include appropriate steps to determine what occurred and to take actions designed to end the harassment, intimidation, or bullying, and prevent such misconduct from re-occurring. The student and his/her parent shall be informed of the results of the investigation and shall be advised how to report any subsequent issues. Any discipline of students or staff shall remain confidential.

If the investigation determines that inappropriate conduct has occurred, the administration shall take reasonable, timely, age-appropriate, and effective corrective action. Examples of corrective action include, but are not limited to, disciplinary action against the aggressor, up to and including termination of an employee or expulsion of a student.

The District prohibits retaliation or reprisal in any form against a student or employee who has filed a report. The District also prohibits any person from falsely accusing another person.

Appeals

Notification of the outcome of the investigation will be issued in writing to the complainant and the complainant

will be informed of the right to appeal. An appeal related to disability discrimination or harassment should be made to the District's 504 Coordinator. An appeal regarding color, race, or national origin should be made to the District's Title VI Coordinator. An appeal regarding sexual harassment, sexual misconduct, or gender discrimination should be made to the District's Title IX Coordinator. (See Policy JA for contact information). A complainant may then appeal the decision of the coordinator to the Superintendent or his or her designee.

A complete copy of the District's Policy, Administrative Rule, and report form referenced above can be located at <http://www.boarddocs.com/sc/greenville/Board.nsf/Public#>. You may also receive a copy of Policy JCDAG, Administrative Rule JCDAG, or the report form from your school upon request.

Student Speakers at School-Sponsored Activities

The School District of Greenville County is committed to maintaining an educational environment in which students of all backgrounds, beliefs and religions are welcome and treated with equal dignity and respect. The District will neither advance nor inhibit religion. In accord with the United States Constitution, the District protects private expression, including religious expression, by individual students as long as that expression does not create a disruption to or interfere with the educational environment.

Student speakers at school-sponsored activities, including graduations, may not be selected on the basis that either favors or disfavors religious speech. Where student speakers are selected on the basis of genuinely neutral, even handed criteria and retain primary control over the content of their expression, that expression is not attributable to the school and therefore may not be restricted because of its religious or secular content. In contrast, where school officials determine or substantially control the content of what is expressed, such speech is attributable to the school and may not include prayer or religious content. A school, however, may prevent or remove a speaker if the content of their speech is obscene, contrary to the District's behavior code or substantially disruptive to the school environment.

For a comprehensive overview of student's rights, please review the U.S. Department of Education's guidelines on religious expression in public schools at: <https://ed.gov/policy/gen/guid/religionandschools/index.html>

GCS provides computer, network, e-mail, and Internet access to individuals as part of the learning environment. The use of these resources is a privilege and not a right. While these systems have the power to deliver a vast number of resources to classrooms and enhance education, their effectiveness depends on the responsible and ethical use by every individual. Violation of this administrative rule will result in the loss of this privilege and may result in discipline or litigation in accordance with board policy and state and federal law.

II. Student Acceptable Use

This section is dedicated to provide GCS students with guidance of acceptable use of the district's information technology resources, including but not limited to:

1. The internet, intranet, e-mail, portal;
2. District assigned computing devices such as personal electronic devices, laptops, desktops and portable storage; and

The District does not supervise individual e-mail accounts.

1. The District reserves the right to review any e-mail sent or received using District equipment and e-mail accounts.
2. Students must adhere to the behavior expectations while using technology and e-mail, including but not limited to those expectations contained in board policy. The

District's Behavior Code is Board Policy JCDA.

3. Technology is constantly changing and evolving. Due to the nature of the Internet, online communications, and evolving technology, the District cannot ensure or guarantee the absolute safety of students during the use of technology, including email and the Internet. Parents and students should contact the school immediately with any concerns related to the use of technology.

C. Prohibited Uses of GCS Resources

Students, parents and guardians agree that GCS computer equipment must be handled with care and respect.

D. Consequences

Students who violate this administrative rule may be subject to disciplinary action including expulsion in accordance with board policy and state/federal law. Suspected criminal activity must be immediately reported to law enforcement.

III. GCS Internet Safety and Other Terms of Use

A. General Access

In compliance with the Children's Internet Protection Act ("CIPA"), U.S.C. §254 (h), the District uses technological devices designed to filter and block the use of any of the District's computers with Internet access to retrieve or transmit any visual depictions that are categorized as obscene, child pornography, or "harmful to minors" as defined in the CIPA.

1. Though the District makes reasonable efforts to filter such Internet content, the District cannot warrant the effectiveness of its Internet filtering due to the dynamic nature of the Internet.
2. Users of a District computer with Internet access may request that the "technology protection measures" be temporarily disabled to conduct bona fide research for another lawful purpose. These requests should be made to ETS with the knowledge of that employee's supervisor.

B. Personal Safety

The following list is considered precautions taken by GCS to ensure the safety of students, staff and the public.

1. Obtain emails sent or received on District email.
2. Monitor an individual's use on the District's systems.

Judicial, law enforcement, or corrections officials must notify the principal of any conviction of this crime of assault and battery of a high and aggravated nature against a school official, and of other "violent crimes". Any school official who reports a school-related crime in good faith is immune from criminal and civil liability arising from the report.
