Only students whose completed applications are received prior to March 29, 2019 at 4:00 pm will be included in the selection process. Students will be selected based on the J.L. Mann AP Capstone Scoring Rubric. The rubric can be found on the AP Capstone link under the Parents and Students tab on the Mann webpage. Students will be accepted beginning with the highest qualifying scores until all slots have been filled. A lottery system is used when there are more qualifying students than available slots.
