**League Academy of the Communications Arts**

BOOT CAMP is transition program sponsored by the League Academy Guidance Department and PTA to help facilitate the transition to middle school. This program provides an opportunity to explore the school, meet teachers and students, learn tips about middle school success, and ask questions before school starts. Registration information for the program will be mailed in July with instructions on how to participate.

We look forward to seeing all our rising 6<sup>th</sup> grade Bulldogs at BOOT CAMP.
