**August 1, 2025**

Dear Parents and Guardians,

On behalf of the Mauldin Elementary staff, I am excited to welcome you to the 2025–2026 school year! We are looking forward to another year filled with learning, leadership, and meaningful growth for every student.

At Mauldin Elementary, our mission is to help students grow both academically and socially. As a Leader in Me Lighthouse Certified School, we believe every child has the potential to lead. Through the 8 Habits, students build 21st-century leadership and life skills, empowering them to take ownership of their learning and contribute positively to our school culture.

We know that strong partnerships between school and home are essential for student success. We are committed to working with you to ensure each child reaches their full potential. You can support your child by:

- Attending school daily and arriving on time, ready to learn
- Checking your child's daily behavior sheet and Monday communication folder for important updates
- Joining your child's teacher's ClassDojo for regular communication
- Completing all homework assignments
- Reading daily to develop literacy skills and a love of reading
- Talking with your child about their school experiences
- Encouraging your child to ask for help when needed
- Reinforcing the expectation that your child does their best each day

We also encourage you to stay connected and involved. Parents and guardians play a vital role in our school's success. You can get involved by joining the PTA, School Improvement Council (SIC), or Parent Lighthouse Team—or by simply staying informed. Be sure to follow us on Instagram and Facebook to keep up with school news and events.

Our Parent/Student Handbook is available online on our school website. Please take time to review it with your child, as it outlines important procedures and expectations for a successful year.

The Mauldin Elementary staff and I are honored to be part of the Mauldin Mighty Eagle family. Thank you for sharing your child with us—we look forward to partnering with you this year. If there is anything we can do to support you or your student, please don't hesitate to contact me.

Warm regards,

*Jennifer Dodds*

## **ANTI-BULLYING AND SAFE SCHOOLS**

The District is committed to fostering an environment that both promotes learning and prevents disruptions to the educational process. In order to create and maintain an atmosphere that promotes learning and prevents disruption, the District has implemented the following procedures to address student concerns, complaints, and grievances in regards to bullying, discrimination, harassment, intimidation or misconduct as provided in Board Policy and Administrative Rule JCDAG. All formal complaints of any allegation of bullying, discrimination or harassment will follow the below process, except for complaints filed on the basis of sex (Title IX), which will follow the procedures contained in that Section II below.

### **Reporting Bullying, Harassment & Discrimination**

Any student who believes that he/she has been subject to harassment, intimidation, bullying or misconduct by other students, employees of the District or third parties in the school setting should immediately inform the school's administration and may also file a formal complaint under Board Policy and Administrative Rule JCDAG.

All complaints should be filed with the principal or his or her designee within sixty days of the date of the alleged incident using the Complaint Form attached to Rule JCDAG. Complaints may also be filed by a student's parent. If the allegation is against the school's administration, the student or parent should file a

report directly with the District's Ombudsman. Anonymous reports may be made, but those reports must provide the district with adequate information in order to begin an investigation.

Additionally, students and parents should immediately report any concerns related to employee interactions with students that are inconsistent with the requirements and expectations contained in Board Policy GBV pertaining to staff and adult interactions with students. Concerns that should be immediately reported to a school's administration include potential mistreatment of students and other conduct by employees that could constitute inappropriate interaction or communication, including those sexual in nature.

### **Investigation**

Complaints will be investigated promptly, thoroughly, and confidentially. The investigation shall include appropriate steps to determine what occurred and to take actions to end the harassment, intimidation, or bullying and prevent such misconduct from occurring again. A meeting will be scheduled within ten working days of the complaint with the complainant to discuss the complaint. The student and his/her parent(s) shall be informed in writing of the outcome of the investigation but all discipline of students and staff will remain confidential. The written notice will also outline the complainant's right to appeal.

### **Appeals**

An appeal related to disability discrimination or harassment should be made to the District's Section 504 coordinator. An appeal regarding color, race, or national origin discrimination or harassment should be made to the District's Title VI coordinator. The email contact information for the Section 504 Coordinator and Title VI Coordinator is [Section504@greenville.k12.sc.us](mailto:Section504@greenville.k12.sc.us) and [TitleVI@greenville.k12.sc.us](mailto:TitleVI@greenville.k12.sc.us). Both may also be contacted by mail at Post Office Box 2848, Greenville SC 29602 or by phone at 864-355-3100.

The appeal shall state the reasons for which the complainant is appealing the initial decision. The coordinator will examine the evidence presented by all the parties, and may conduct a meeting with both the complainant and the school principal or designee if needed. The coordinator must provide a written decision to the complainant within 10 working days of receiving the complainant's written appeal. The coordinator shall inform the complainant of the right to appeal to the Superintendent or his/her designee. If a coordinator or the Superintendent or his/her designee is alleged to be involved in the complaint, the District will appoint an objective and impartial administrator to address the complainant's appeal at that level.

If a student or parent/guardian is dissatisfied with the action or decision of the Coordinator, they may appeal the decision to the Superintendent or his/her designee within 10 working days of the decision of the Coordinator. The appeal shall be in writing and shall state the reasons for the appeal. The superintendent or designee, in his or her discretion, may choose to have a meeting with the complainant and the coordinator. The Superintendent or designee shall provide a written determination to the complainant and take appropriate action within 10 working days after the receipt of a written appeal.

### **ARTICLES PROHIBITED AT SCHOOL**

Anything that might be a hazard to the safety of other children or interfere in any way with school procedures may not be brought to school. Such items as guns, caps for guns, bean shooters, knives, matches, lighters, cigarettes, pornographic material, non-prescription drugs or pills, and alcoholic beverages are not permitted and will be taken away from the student. Prescription drugs and inhalants are not allowed without a physician's permission in writing and on file in the health room. Any abuse of this policy will be dealt with according to school district policy. Fighting, drugs, and weapons at school may result in suspension. Students are in school to study and learn; therefore, no toys are allowed at school unless the teacher specifies a purpose. In addition, and in order to protect school equipment and property, chewing gum is not permitted during the school day.

**Rolling book bags are not allowed at Maudlin Elementary School.**

## **ATTENDANCE**

In South Carolina, all children are required to attend a public or private school or kindergarten beginning at age five (5) and continuing until their 17<sup>th</sup> birthday. If a child is not six years of age on or before the first day of September in a particular school year, parents and guardians may choose not to send their children to kindergarten; however, they must sign a waiver which may be obtained at the local school.

In accordance with the South Carolina Compulsory School Attendance law, the School District of Greenville County has adopted uniform rules to ensure that students attend school regularly. Each day that students are not in school, they miss hours of valuable instruction and opportunities for learning that they will not have again. Students are counted present only when they are actually in school, on homebound instruction, or are present at an activity authorized by the school principal. A student is considered in attendance when present for at least three (3) hours of a school day.

All absences beginning with the first shall be approved or disapproved by the board's designee, the building principal. In making this decision, the principal shall be guided by the procedures as presented herein. Decisions regarding approval of absences and eligibility for credit may be appealed in accordance with district policy.

Any student who misses school must present a written excuse, signed by his or her parent or legal guardian or a health care professional, for all absences within three (3) days of the student's return to school. The written excuse should include the reason for and the date of absence. If a student fails to bring a valid written excuse to school, his or her absence will be recorded as unlawful. School will use the criteria below when deciding whether an absence is lawful or unlawful.

### **Lawful Absences**

- Absences caused by a student's illness and whose attendance in school would endanger his or her health or the health of others. These absences must be verified by a physician statement within three (3) days of the student's return to school.
- Absences due to an illness or death in the student's immediate family verified by a statement from the parent within three (3) days of the student's return to school.
- Absences due to a recognized religious holiday of the student's faith when approved in advance. Such requests must be made to the principal in writing.
- Absences for students whose parents/guardians are experiencing a military deployment. Specifically absences when the parent or legal guardian of a student is an active duty member of the uniformed services and has been called to duty for, is on leave from, or immediately returned from deployment to a combat zone or combat support posting, shall be excused as long as such absences are reasonable in duration as deemed by the principal so that the student can visit with his or her parent or legal guardian relative to such leave or deployment of the parent or legal guardian.
- Absences due to activities that are approved in advance by the principal. This would include absences for extreme hardships. Such approval should be prearranged when possible.

### **Unlawful Absences**

- Absences of a student without the knowledge of his or her parents
- Absences of a student without acceptable cause with the knowledge of his or her parents
- Suspension is not to be counted as an unlawful absence for truancy purposes

### **Absences**

For students in grades K-12, principals shall promptly approve or disapprove any student's absence in excess of ten (10) days, whether those absences are lawful, unlawful, or a combination of the two. Absences in excess of ten (10) days will not be considered excused with a parent/guardian note unless accompanied by official medical documentation or otherwise approved by the principal as a lawful absence.

## **Truancy**

Although the state requires students to only attend 170 of the 180-day school year, parents and students should be aware that SC Code of Regulations-Chapter 43-274 stipulates that a child ages 6 to 17 year is considered truant when the child has three consecutive unlawful absences or a total of five unlawful absences.

## **BEHAVIOR EXPECTATIONS**

Behaving appropriately is an essential aspect of learning. Without a disciplined atmosphere, the teacher cannot teach effectively and the learner cannot learn. As a Leader in Me School, we use Franklin Covey's 7 Habits to happy Kids to teach students the habits of highly effective students, supporting appropriate behaviors and providing skills to respond to difficult situations.

1. Be Proactive
2. Begin with the End in Mind
3. Put First Things First
4. Think Win-Win
5. Seek First to Understand, then to be Understood
6. Synergize
7. Sharpen the Saw

Our Code of Conduct is that we will Step Or and LEAD:

- L- Listen and follow directions
- E- Excellence in everything
- A- Always show respect
- D- Do the right things

Students are expected to follow classroom and school discipline plans. Most discipline problems can be handled between the teacher and student. All classrooms use a 4-point behavior plan. All students begin the day on a 3. Students can earn points for excellent behavior and lose for poor choices. Students' daily behavior scores are shared on a monthly behavior calendar. Parents should check their student's behavior calendar daily and reach out to the classroom teacher with any questions concerning behavior.

## **BIRTHDAYS**

Due to student dietary and health restrictions, outside food is not permitted at Mauldin Elementary, including cupcakes for student birthdays. Parents may consider other small items such as pencils, bookmarks, erasers, etc.

The school office is unable to accept deliveries of flowers, balloons, etc. for holidays or students' birthdays.

Invitations for private parties may not be passed out in the classroom unless **all** students are receiving an invitation. Per GCS policy, school employees are prohibited from assisting students with the distribution of birthday party invitations.

## **BOARD POLICIES AND ADMINISTRATIVE RULES**

All current policies of the Greenville County School District Board of Trustees and administrative rules can be found on [Board Docs](#) on the District's website.

## **CAFETERIA- BREAKFAST & LUNCH**

Nourishing, well-balanced meals are served each day for students and staff. Foods for those with special dietary needs will be prepared with a doctor's note.

Breakfast is provided for students from 7:00-7:40 each morning. Upon arrival, students should report to the cafeteria to receive their breakfast. Students will then proceed to their homeroom classroom to eat.

Parents are welcome to eat lunch with their students any day of the school year. Please remember that due to student dietary and health concerns, outside food, including fast food and carbonated drinks are not permitted in the cafeteria. Parents may pay for their lunch in the cafeteria line. As a way to ensure our children have

adequate time to eat lunch, each class will have a “no talking” policy during a portion of lunch. Parents visiting for lunch should sign-in at the front office to receive a visitor pass, and meet their child in the cafeteria. Parents must remain in the cafeteria while eating with their student. Students should return to the classroom with their class at the end of the lunch period. For safety, parents are not permitted to walk with students to their classroom. Parents should sign-out in the front office at the conclusion of lunch.

Microwaves in the cafeteria are for teacher use only. Students may use a thermos to keep foods warm.

Weekly breakfast/lunch menus are posted on the Mauldin Elementary website.

### **CELL PHONES & ELECTRONIC DEVICES**

In an effort to maximize academic instruction and limit electronic device distractions, personal electronic devices, including cell phones and smartwatches cannot be used by students during the instructional day without authorized permission by the principal or principal’s designee for unique events. All personal devices must remain out of sight of others and be silenced during this time.

- Elementary school instructional day: 7:45 a.m. to 2:15 p.m.

Should a student need to contact a parent or family member during the school day, teachers or office staff can assist them. Should a parent need to provide information to a student during the school day, they should contact the front office at 355-3700.

Cell phones or personal electronic devices found in the possession of students or that interrupt the learning environment, will be confiscated and returned to the student at the end of the school day.

- First offense: Students will be directed to turn off the cell phone and put it away in their bookbag.
- Second offense: The cell phone will be confiscated by administration and returned to the student at the end of the day. The parent will be notified.

If students are caught using their cell phones for calling, texting, filming, or any other activity during the instructional day, their devices will be confiscated for the remainder of the day.

Repeated offenses may lead to a parent conference and the confiscation of the cell phone, which will only be returned to the parent.

### **CHANGE IN ADDRESS**

If a child's family changes residence, outside the Mauldin Elementary, it will be necessary to submit two new Proofs of Residency informing the school of this change in status.

### **COMPUTER USE**

**The School District of Greenville County Student Acceptable Use Policy Agreement:** The School District of Greenville County has developed a computer network that connects all schools to each other, the District Office, and the Internet. "Acceptable use" of this network is use that is consistent with the instructional goals of the district. The district takes precautions by using filtering software to keep inappropriate Internet sites out of the classroom. Electronic teaching and learning tools and online access are designed to support students' education. If students break "acceptable use" rules, they may lose the privilege to use both classroom computers and/or the Internet. Further disciplinary and/or legal action may be taken at the discretion of school administration. Please note that parents may choose for their child not to have access to the internet at school; however, students who do not have access to the internet will not be able to access email or web-based programs that teachers may

be using in class. Your child has agreed to the terms and conditions of this document upon acceptance of the school district handbook. Violation of any of the terms or conditions will result in disciplinary action.

- Treat computer equipment with care and respect. Willful destruction of computer equipment or software is considered vandalism and may warrant involvement of local law officials.
- Any written text, graphics or executable files created, downloaded, displayed, or exchanged with another student or teacher must be education-related and not offensive in any way.
- Do not use school computers for illegal activities such as planting viruses or hacking.
- Do not use school computers for commercial purposes.
- Follow copyright laws at all times - See District copyright policies for more information.
- If you have questions about the legality of using software, text, graphics, or music you find online, ask your teacher or media specialist for guidance.
- Keep your password secret - You will be held responsible for all computer activities associated with your password. For example, if you share your password with your friend and he/she signs on as you and breaks one of the rules outlined above, you may be held responsible.
- Online communication must be polite and not threatening or offensive in any way - All students in grades 3-12 are issued filtered email accounts. The District has the right to review any email sent or received using District equipment and email accounts. Email accounts should be used for educational and district purposes only.
- Do not give out personal information on the Internet. Never give out your phone number, social security number, full name, age, home address, or any other personal information.
- Home directories are provided to students for educational related work. Students should not store personal or non-school related work in home directories. The District reserves the right to review the contents of student's home directories.

## **COUNSELING PROGRAM**

Our counselors work closely with the school staff to provide a program of activities designed to enhance the personal, social, and emotional development of our students. In addition to the classroom guidance program, the counselors work with individuals and small groups. Students may be referred by themselves, a teacher, a parent, or staff member. The counselors are available for conferences with parents.

The District defines directory information as a student's name, photograph, grade level, school to which he/she is assigned, years of attendance at that school, awards received, participation in officially recognized activities and sports, student email address, and weight and height of athletic team members. Outside organizations requesting directory information include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, the law requires that local high schools must provide military recruiters, upon request, access to secondary school students' names, addresses, and telephone listings. If you do not wish for the District to disclose directory information from your child's education records without your prior written consent, you must notify the School in writing no later than 30 calendar days after the first day of school.

## DRESS CODE

Students are expected to dress and be groomed in such a way as to not distract or cause disruption in the educational program or orderly operation of the school. Personal appearance of students should promote health and safety, contribute to a climate conducive to teaching and learning and project a positive image of the District to the community. Students should dress for the educational setting and not the recreational one. The principal may create further guidelines regarding student dress which are consistent with the parameters below.

- 2<sup>nd</sup> Offense: Detention

### **EARLY DISMISSALS**

State regulations require that students regularly attend school for a full day. In order to avoid interruptions in the educational program, we ask your cooperation in not picking up your child or children during school hours. Whenever possible, medical and dental appointments should be made after school hours. If a parent must pick up a child from school early, that parent should send a note to the teacher in the morning stating the reason and time for the early dismissal. Students will be called to the office for early dismissal once the parent arrives. Students are not permitted to wait in the office for an early dismissal. Identification will be required of any adult attempting to pick up a child. Only individuals listed as permitted for pickup in Student Backpack will be allowed to pick up that child.

Early dismissals are not permitted after 1:45 PM to ensure a safe and efficient dismissal process.

### **EXTENDED DAY PROGRAM**

Mauldin Elementary operates an extended day program on school days from 2:30 p.m. - 6:00 p.m. The program is structured for the entire afternoon and students receive a snack each day. Students are provided time to complete their homework; however, after school care providers are not responsible for the accuracy and completion of the assignment. The after-school program does not operate on half days, holidays or other days in which students do not attend school. As with regular school, the after-school program will close in the event that school is closed due to inclement weather. More information about Mauldin's Extended Day Program, can be found on the school website. Questions about the after-school program should be directed to the After School Director, JoAnn Bankhead, at 355-3790.

### **EXTRACURRICULAR ACTIVITIES**

Student participation in extracurricular activities is a privilege that a student earns through proper conduct and academic achievement. A student may be denied the privilege of participating in an extracurricular activity and/or an event when the student's conduct is not consistent with District Policy; the District's Behavior Code

and/or academic standards; the conduct expectations and/or academic standards of Mauldin Elementary School; and/or the conduct expectations and/or academic standards of the particular activity. Extracurricular activities include, but are not limited to, academic clubs/teams, and attendance at any school function outside of the normal school day.

#### **FAMILY EDUCATION RIGHTS AND PRIVACY ACT (FERPA)**

The Family Educational Rights and Privacy Act (FERPA) is a federal law that affords parents (including legal guardians) and students over 18 years of age (eligible students) certain rights with respect to students' education records. "Student education records" include any records maintained by a school or the district that are directly related to the student. These rights are:

- The right to inspect and review a student's education records within 45 days of the day the school receives a request for access. Parents or eligible students should write a letter to the school principal and identify the record(s) they wish to inspect. The principal will make arrangements for access to those records and will notify the parent or eligible student of the time and place where they may inspect them.
- The right to request an amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading or otherwise in violation of the student's privacy rights under FERPA. Parents or eligible students may ask the school to amend an education record that they believe is inaccurate or misleading by writing the school principal. In that letter, they should not only clearly identify the part of the record they want changed, but also specify why they believe it is inaccurate or misleading. They should also provide any evidence to support their claim. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a district-level hearing regarding the request for amendment. The school will provide additional information regarding the district's hearing procedures when they notify the parent or eligible student of the decision. After the hearing, if the district still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his/her view about the contested information.
- The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. FERPA allows the district to disclose education records to school officials with a legitimate educational interest in the information contained in the record without consent from the parent or eligible student. A school official is a person employed by the district as an administrator, supervisor, instructor, or support staff member (including health and law enforcement staff); a person serving on the School Board; and a person or company with whom the district has contracted to perform a special task (such as an attorney, auditor or therapist). A school official has a legitimate educational interest if that official needs to review an education record in order to fulfill his or her professional responsibility. Upon request and without consent, the district forwards and discloses education records to officials of another school district in which a student seeks/intends to enroll, specified officials for audit or evaluation purposes, appropriate parties in connection with financial aid, organizations conducting certain studies for the school, accrediting organizations, to comply with a judicial order or lawfully issued subpoena, to appropriate offices in cases of health and safety emergencies, and to state and local authorities within a juvenile system.
- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the district to comply with the requirements of FERPA.

The name and address of the federal agency that administers FERPA is as follows:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW

\*An eligible student is defined as a student who reaches 18 years of age or attends a post-secondary school.

## FIELD TRIPS

Field trips are considered an extension of the classroom and instructional program. Teachers spend many hours planning and preparing for an exciting and enriching experience for students. Students are expected to fulfill their responsibilities, such as homework, behavior, class work, and monetary donations in order to participate. A signed permission slip by a parent or legal guardian is required for students to participate in school field trip. Transportation for all fieldtrips will be by bus. Each child is expected to pay a fee to cover expenses. If there is a monetary reason keeping a child from participating in a field trip, please call your child's teacher and/or the principal to discuss alternatives that would make the field trip possible for your child. Field trip fees cannot be returned if a student has been counted in the original number. The number of students participating determines charges for trips. Exceptions will be considered on an individual basis only in extreme circumstances. The permission slip, and field trip fees must be turned in to the teacher 24 hours prior to the field trip in order to participate. Any exceptions must be approved by the administration. All medications must be brought to school the morning of the field trip by the parent for all trips leaving before school starts and/or returning after school hours

The number of chaperones is limited and determined by the field trip destination and need for supervision. Parents not selected as field trip chaperones are prohibited from accompanying the class on a field trip. All chaperones must have a background check completed prior to the trip. An approved chaperone cannot find their own replacement should they not be able to attend.

**GRADING GUIDELINES**

The district's guidelines will be followed in every elementary school in Greenville County. The guidelines' philosophy is that grades should reflect the accomplishment of the student in the classroom to the fullest extent

possible. The report card indicates whether your child is working on or below grade level. Students will receive a grade of M, P in penmanship, music, art or physical education to denote student performance. Students in 2nd-5th grade must have all A's and B's and M in ungraded subjects to make the Honor Roll. Grades are based upon the student's instructional level. If a student is working below his/her grade level a comment concerning grade level or accommodations must be included on each report card and progress report.

## **HEALTH ROOM**

A nurse is in the Health Room from 7:30 a.m. until 3:00 p.m. daily. The teacher will contact the nurse for any child who is not feeling well or has been hurt; however, teachers will be careful to monitor the severity of the child's complaint. Headache, stomachache, or general malaise may not necessarily merit a referral to the health room. Students who are seen in the health room and do not have a fever, will be returned to class. Parents will be contacted if their child has a fever of 100 degrees or more or require medical attention.

Every effort should be made to keep sick children at home. Students should be symptom-free for 24 hours without medication before returning to school after an illness.

## **Health Concerns/ Diagnosis**

Please make your child's teacher and the school nurse aware of any health problems or concerns. A statement of the nature of the special health problems is required in writing. A doctor's statement is required to outline procedures that need to be taken in the event your child requires special medical attention.

## **Immunizations**

Children must have a SC Certificate of Immunization from the doctor or health department before entering school. Parents are advised to review their children's immunization records to verify compliance with state regulations. Students may not enter school without up-to-date immunizations.

## **Medications**

- Medications must be administered by the nurse or school staff as authorized by the principal (field trips). Students are not allowed to give themselves medication at school. Medications must be in original containers with a student's name on it.
- Written permission to give medicine must be completed and signed by parent indicating name of student, name of medicine, dosage, and time to be given. If medicine is to be given longer than TWO weeks, a doctor who prescribed or recommended the medicine must also complete a physician's authorization form.
- Students found with medication in their possession or belongings at school are subject to disciplinary measures. A responsible adult must bring medications and check them into the health room. At year-end, parents are responsible for picking up remaining medications. Medicine not picked up is discarded.

## **HEALTH AND WELLNESS EDUCATION**

Please see the school district website for material used to teach health and wellness. It is located under Students & Parents, Social and Emotional Learning

## **HOMEWORK**

When homework is given, assignments shall reflect the following guidelines:

Homework shall include one or more of the three generally recognized types of homework:

Practice: reinforces newly acquired skills taught in class

Preparation: helps students prepare for upcoming lessons, activities, or tests

Extension: provides challenging, often long-term opportunities for enrichment that parallel class work

Homework shall be carefully planned and explained to the students. Content and duration of homework shall be personalized to accommodate the age, grade, ability, and readiness of the students. Homework shall be assigned with awareness of the home resources available to the student and the family and alternative options offered, where necessary. Since involvement in extracurricular activities is encouraged and valued, homework assignments that are lengthy shall be scheduled as far in advance as possible.

Because homework at the high school level varies according to a student's course load and schedule, high school students should spend sufficient time on homework to master the content of the subject matter. Completed homework assignments are to be reviewed by the teacher or designee; appropriate instructional follow-up shall occur.

If homework is graded, the homework shall count no more than 10% of the overall quarterly grade at the middle school and high school levels.

Because they require a greater amount of time and effort than daily assignments, grades for long-range assignments shall not count as part of the homework percentage, but should be considered in the time allocated for homework.

Parents and students shall be informed at the beginning of the school year and at the beginning of second semester, if appropriate, of the district homework policies and classroom homework expectations.

Students are encouraged to spend some time each day reading a variety of materials independently.

#### **INCLEMENT WEATHER /SCHOOL CLOSING**

[School Closing Options](#) [GCS Inclement Weather Process](#)

#### **LEGAL CUSTODY/GUARDIANSHIP**

If you have legal custody of your child and you do not want anyone else picking up your child; you must note this on the dismissal card. A copy of the proof of custody from the court must be brought to the office and filed in the student's record. Please inform your children of the persons authorized to pick them up and instruct them not to go with anyone else. Without proof of custody in the child's permanent record and notation on the dismissal card, the school has no recourse but to dismiss the child to either parent.

#### **LOST AND FOUND**

**As students often misplace items, please write your child's name or dismissal numbers on items and clothing such as lunch boxes, jackets, sweaters, coats, hats, and gloves.** Lost and found articles will be placed in the cafeteria. Provisions for make-up of school work missed during excused absences shall be worked out with the classroom teacher(s) at the earliest time possible but should not exceed five (5) school days after the student returns to school. Test must be made up by the 5<sup>th</sup> school day after the absence occurs.

Parents have the opportunity each summer to provide a letter about their child to assist in making classroom placement decisions. Letters requesting a particular teacher are not accepted. The placement of all students at the beginning of the school year is considered TENTATIVE. Changes in the enrollment may necessitate assigning students to different classes, but every effort is made to limit the changes that are made.

Greenville County Schools' expectations are defined by the curriculum standards adopted by the S.C. Board of Education in the core discipline areas of English language arts, mathematics, science and social studies.

The district's promotion and retention policy assure that students reach minimal academic standards at each grade level before they are promoted. To ensure that each child has the opportunity to meet these standards, appropriate intervention measures and transitional programs will be available to those who need them. The decision to retain a student will be made only after intervention efforts are unsuccessful in helping students reach certain achievement levels. All decisions for retention will be made with the parent, teacher, and school administration.

Students in the program are required to make up the work they miss in their regular classes. Please refer questions regarding the program to one of our challenge teachers or school administration.

### **Special Education Program**

Special education services are provided for qualifying students based on federal criteria. It is most important that you make your child's teacher and the school aware of any **SPECIAL HEALTH PROBLEMS**. Please inform the school office in writing if there are any changes in your address, phone number at work or home, and/or persons to contact in the event of an emergency. Confidentiality will be maintained. If you have any questions, please contact the school nurse.

## **STUDENT SPEAKERS AT SCHOOL-SPONSORED EVENTS**

The School District of Greenville County is committed to maintaining an educational environment in which students of all backgrounds, beliefs and religions are welcome and treated with equal dignity and respect. The District will neither advance nor inhibit religion. In accord with the United States Constitution, the District protects private expression, including religious expression, by individual students as long as that expression does not create a disruption to or interfere with the educational environment.

Student speakers at school-sponsored activities, including graduations, may not be selected on a basis that either favors or disfavors religious speech. Where student speakers are selected on the basis of genuinely neutral, evenhanded criteria and retain primary control over the content of their expression, that expression is not attributable to the school and therefore may not be restricted because of its religious or secular content. In contrast, where school officials determine or substantially control the content of what is expressed, such speech is attributable to the school and may not include prayer or religious content. A school, however, may prevent or remove a speaker if the content of their speech is obscene, contrary to the District's behavior code or substantially disruptive to the school environment.

## **STUDENT USE OF TECHNOLOGY**

### **Procedures for Transporting 4k, 5k and 1st Grade Students**

For safety reasons, all K4, K5 and 1st grade students will receive a numbered ID tag from the school prior to boarding the bus in the afternoon. The tag must be visible to the driver. As the student departs the bus in the afternoon, the driver will collect the student's identification tag. The driver will retain the tag and deliver all tags to the school the following morning. The school will distribute the tags to the respective teacher or staff member so the tags can be put on the student before afternoon bus dismissal.

Each 4K, 5K and 1st grade student must wear a bus tag while being transported from school for the entire school year. The student tag shall include the following information:

Front:

Student Name

[ ] Student designee name (4th grade or above)

Route number

Back:

Student address

unique number

### **Parent Responsibilities:**

The parent/guardian is responsible for properly registering their student(s) at the designated school and ensuring that all information provided on required forms is accurate and current. The parent/guardian is responsible for updating this information at the school whenever changes occur.

The parent/guardian must be present at the regular bus stop both during the morning pickup and afternoon drop-off of their 4K, 5K or 1st grade child. The parent/guardian will be given four (4) numbered cards to distribute to any designee to be at the bus stop in their place. The designee may be another adult or student designee (4th grade or higher). A Bus Tag Application is to be furnished by the school, completed and returned by the parent/guardian to the school before the student rides the bus. One person may serve as designee for multiple children. The parent/guardian is ultimately responsible for the safety and conduct of his/her child at the regular school bus stop.

If a 4K, 5K or first grade student is preparing to depart the bus at their assigned stop, whether alone or in a group, and the parent/guardian/designee with the numbered card is not present at the bus stop, the student will be returned to his/her elementary school. When a student is returned to the elementary school, school staff will contact the parent/guardian. If the parent/guardian cannot be located, the matter could be referred to Greenville County Schools Law Enforcement Division, appropriate local Law Enforcement Agency, and/or the Greenville County Department of Social Services (DSS).

Incidents of the parent/guardian/designee with the numbered card not being at the bus stop for afternoon drop-off will result in all transportation services being discontinued according to the following schedule:

- First Incident: Warning to parent by school with review of future consequences
- Second Incident: 3 days off the bus
- Third Incident: 5 days off the bus
- Fourth Incident: 10 days off the bus
- Fifth Incident: Removal from bus for the remainder of school year

The school administration will implement the above schedule without a bus driver referral and notify the appropriate bus center of the effective dates of loss of bus transportation services. Only the Superintendent or his or her designee may make exceptions to the provisions contained in this administrative rule.

## **TRANSPORTATION CHANGES**

All changes in how a student goes home must have a written note given to the office signed by the parent/guardian. If you find that you need to change the way your child will be going home during the school day, please fax a signed note before 1:00 p.m. to 355- 3783. Please submit any permanent transportation changes to the front office in a prompt manner. Please do not send dismissal changes to teacher's voicemail or email as teachers may not have an opportunity to check messages and/or emails before dismissal.

## **VISITORS**

We strongly encourage parental involvement. Upon entering the building, a visitor should sign in at the front office, provide a driver's license, and receive a visitor's tag. Be sure to wear the visitor's tag at all times while on school grounds. Only the main entrance of the school nearest to the office should be used.

For the safety of students and to protect instructional time, parents are only permitted in the classroom during special events or when approved in advance with the school principal. Parents attending lunch with their child should meet their child in the lunchroom and students should return to the classroom with their class at the conclusion of lunch. Parents should report to the school office to sign out.

Parents may not visit with teachers on our playground during recess time. This is a time that requires a teacher's undivided attention to his/her class.

## **VOLUNTEERS**

The South Carolina General Assembly passed legislation requiring that "all volunteers who work in a school on an interim or regular basis as mentors, coaches, or any other capacity, or volunteers who serve as student chaperone or any other capacity having direct interaction with students" undergo a National Sex Offender Registry check.
