

Mauldin Elementary School

Weekly Update

May 9-13, 2022

Good afternoon, Mighty Eagle Families. I hope everyone is having a great weekend.

The Mighty Eagle staff would like to thank our school families, and community partners who supported teachers last week as we celebrated Teacher Appreciation Week. Thank you for the opportunity to work with your children.

We are thrilled to announce that next year we will be adding a book vending machine to our school. Students will have the opportunity to select books to add to their home reading collections when they reach reading goals throughout the year. Thank you to our School Improvement Committee for their help in gathering donations to bring the book vending machine to our school.

State testing will continue this week. On Tuesday, third, fourth, and fifth grade students will participate in the SC Ready math test, and on Thursday, 4th grade students will participate in the SC PASS science test. Please assist your child in being prepared for the test by ensuring they get a good night's sleep and are at school before 7:45 each day. Please note that students arriving late will not be able to enter the classroom once testing has begun.

Make plans to join us this Thursday, May 12 for our Spring Chorus Concert in the school cafeteria beginning at 6:30.

Do you know a high school student graduating this year who attended Mauldin Elementary? We would love to celebrate their accomplishment with a special clap out on Friday, May 20 at 9:00. Seniors can RSVP through the link on the Mauldin Elementary School website.
