- For any MHS practice you must wear a reflective vest.
- Run facing traffic, unless a sidewalk is present on the other side of the road.
- Run single file, or at a stagger, only if room is available.
- Be seen! Do not wear dark colored clothes. Use a reflective vest at early morning or late at night.
- Look before you cross the road, or you will not get to the other side.
- Look into the eyes of the driver of the car that is stopped at an intersection. If you cannot do this, stop! Go around the backside of the car.
- Stops at all lights; and cross the intersection only if it is clear. **L@@k** for cars running the stoplights. Cross the intersection as a group.
- **L@@k** where you are going! The shoulder of the road and the sidewalks are uneven at best. Be careful!
- Know the course you are running or run with someone who does. Getting lost helps you to be careless in getting back to school or home.
- Do not change the course you are running.
- Check with me before you leave. Do not go home without me seeing you return from your work out.
- Refrain from any jesters or language directed at passing cars.
- Keep your eyes in the back of your head open. Listen for the passing cars coming from behind you.
- In the event of an accident call the school at 355-6500 or 616-2476. Dial 911 if an emergency arises. In any event call me at school, I will come and get you. Let me know...
- Be careful! Be careful! Be careful! Act as if you have some smarts...
